CHRISTMAS PRISM 2017

CHRISTMAS PRISM

We are delighted to welcome you to our 2017 Houghton College Christmas Prism.

We gather tonight to celebrate and to meditate upon the coming of Jesus Christ into our world - the one who heals us, who redeems us, and who calls us to live lives of reconciliation and restoration. It is only through His love and power that we are able to step forward in faith, fulfilling His call on our lives to do justice, to love mercy, and to walk humbly with our God.

Featuring more than 200 performers, our program will include both vocal and instrumental music as well as visual art, spoken word and Scripture. In an evening full of mystery and wonder, we will come together as God's family - as Christ's body, the church. Through traditional Christmas carols, classically inspired pieces and modern worship songs, we will declare together, "O Come, Desire of Nations!"

PLEASE REFRAIN FROM USING CAMERAS AND VIDEO OR AUDIO RECORDERS. PLEASE TURN OFF CELL PHONES AND ALL OTHER ELECTRONIC DEVICES.

A WORD FROM THE PRESIDENT

Welcome to the 11th annual Christmas Prism at Houghton College. This is our way of inviting you each year into the wonder and mystery of Christmas—early enough in the Advent season so that you can make time for reflection amidst the whirl of festivities and celebrations.

This year's theme, "O Come, Desire of Nations," reminds us once again of the long centuries during which the children of Israel waited in hope and expectation for the deliverance God promised in a coming messiah. Sometimes, they were impatient. Sometimes, they forgot to live like people preparing for the fulfillment of God's promise. And, when the Messiah finally came, many did not recognize him. He did not fit their idea of what a messiah should be.

This year's theme is also for us in 2017. Today, more than ever, the nations of our world yearn for deliverance—from hunger, from violence, from oppression, from fear. We have tried, often impatiently, to work out our own solutions. We have failed to live up even to our own aspirations of how human beings should treat each other. We long for a new vision of God's presence among us.

The Good News of Christmas is that God has come, in Jesus Christ, to be with us. That Good News is as up to date for our world today as it was when it was first announced over 2,000 years ago. God continues to come to each of us who makes room for his coming. May the music of this year's Prism help you in making space for God to come to you and to recognize Him in the surprising and unexpected ways He may choose to show up.

Grace and peace to you in this most wondrous of seasons,

Shirley A. Mullen, Class of 1976 President
