Dr. Robertson Talks To "Star" Reporter H. Gilbert Williams Comes for Meetings Next Week

Repeat Visit of New Jersey Evangelist Will Be Tima of Revival and Blessing on Campus

Last Monday, another bustling registration day, we discovered a new and friendly face at the psychology and education table. Many of us received his initials, J. D. R., on our complicated registration forms. The new face could be that of none other than the new full-time psychology professor.

The minute we heard Dr. Robertson speak, we detected something British about him. The fact is, he was born in Scotland and came to this country while in his 'teens. His college work was taken at our Wesleyan school in Marion, Indiana and his graduate studies, giving him M. A., M. Ed. and Ph. D. degrees were at the University of Cincinnati. He was dean of God's Bible School in Cincinnati from 1936 to 1942. Dr. Robertson has also preached in Presbyterian churches in the Prince Edward Islands for eight and a half years. He came to Houghton directly from this northern post.

Dr. and Mrs. Robertson and their three months old son, James Vernon McKechnie Robertson, made the trip by auto from the Prince Edward Islands in eight days, crossing the border at Calais, Me. Driving conditions in western New York he said were worse than on any other part of the trip. His wife, by the way, comes from Genesee, but evidently they plan to make a Scotchman of their son.

Although Dr. Robertson was in the town of Houghton a number of years ago, he scarcely knew what to expect on his arrival this time. He says he is well pleased in most respects—the campus is beautiful, the students look intelligent, general setup is good, people are kind—but he expected to find more than two stores. Upon learning that his son now

(Continued on Page Three)

Nine New Students Enter For the Second Semester

Nine new college students are on the campus this semester. Six of them freshmen, one a sophomore, one a senior, and one a former student who has returned to complete her work. One more student is still expected.

The new freshmen registrants are Jeanette Balzer, a music student, from Detroit, Michigan; Phyllis Hersey, from Cortland, New York; Carol Voegel, a Religious Ed. student from Hollis, New York; Daniel Derr from Syracuse, New York; Jean Harris, a transfer student, from Allegheny College, and Wesley Aarum, a transfer student from Bob Jones College. Rufus Phipps is a sophomore transfer student from Bob Jones College. His home is in Syracuse, New York. Wm. Irving Sylvia is in Houghton with his wife. He is a senior. He has been at Seattle Pacific College, and the Biblical Seminary in New York City. Genevieve Rathburn is a former student who has returned to finish her Religious Ed. course.

H. GILBERT WILLIAMS

News of 2 Casualties Among Servicemen

News that two former Houghton students were casualties of this war came to the campus this week. Lt. (j. g.) Mark Armstrong, son of Dr. and Mrs. C. I. Armstrong was wounded in the Pacific area, according to word received by his parents. Pfc. Harold Putnam has been reported missing in action on the western front.

Mark was a member of the class of '42 in Houghton. He went into Naval training immediately after his graduation from school. For several months he has been stationed on a destroyer in the Pacific. Details of his wound are not available.

Dr. and Mrs. C. I. Armstrong received the telegram with the shocking news of the wounding of their son from Vice-Admiral Jacobs of the Navy Department in Washington, on Sunday, January 28. It read in part: "Lt. (j. g.) Mark L. Armstrong was wounded in action. The seriousness of the wound is not known by the Navy Department at this time."

The next day, Monday, January 29, the Armstrongs received a V-Mail letter believed to have been written by Mark himself after his injury. It was written on the 14th of January, and was censored by an Army censor, and was stamped by an Army postal service cancellation. The V-mail said, "I am safe, and am having a great rest. Be disconcerted by nothing that you chance to read in the papers. A furlough seems certain this spring."

Harold Putnam attended Houghton, where he was a member of the class of '46. He left here to join the Air Corps, but was turned over to the infantry when

Houghton College will welcome back to her campus the Rev. Gilbert Williams, guest evangelist for the series of bi-annual revival services to be conducted in Houghton Church. From February 6-18 this Gospel speaker will minister nightly to the residents of Houghton and the students of the college and preparatory school.

Rev. Mr. Williams comes to us on a return visit, having conducted services here in February, 1943. Our speaker holds the position of member of the Middle Atlantic States Conference of the Wesleyan Methodist Church. He is also a graduate of Asbury College and Temple University.

Mr. Williams is a general evangelist in the Wesleyan Methodist connection, and was formerly a pastor in the Wesleyan Church in Jersey City. He makes his home in Collingswood, New Jersey.

Before his conversion, Mr. Williams was a graduate of Ryder Business College in Camden, where he became a certified public accountant. He was converted and felt the call to preach at the Delanco Camp Meeting.

After graduating from Asbury College, Mr. Williams attended Temple University, while holding the pastorate of a large Methodist church in New Jersey. He earned the degree of S. T. B. in Temple. Mr. Williams transferred his church membership to the Wesleyan Church and became a Wesleyan pastor in Jersey City after his graduation from Temple. Mr. Williams is on the advisory board of Houghton College.

Engagements of Two Collage Alumnae Are Announced

Two engagements interesting to Houghtonites were announced recently. Mr. and Mrs. B. J. Bjork of Frewsburg announced the engagement of their daughter, Elizabeth, to Perry O. Hill ('43) who is now studying at Westminster Theological Seminary in Queens-town, Maryland. Miss Bjork, attended summer sessions at Houghton, has been teaching in Frewsburg High School. The wedding is planned for this week.

Mr. and Mrs. Ernest Schantz of Westwood, New Jersey, announced the engagement of their daughter, Dorothy, to Pvt. Richard Freas, who at this time is serving with the U. S. Army in the Philippines. She received her ring from Pvt. Freas' parents. Dorothy, a graduate of Houghton, class of '44, is teaching language at Central School in Staytown, Penn.

much of the Air Corps was turned over to the Army. The action in which he was reported missing was held on January 9, in France. "Put" was a member of the Seventh Army.

Gold Wins 2 Games

MEN'S GAME

Dave Flower led the Gold cagers to a 45-29 victory over the Purple in the first men's game of the color series last night. Flower's short shots from the corner and lay-up shots netted him twenty points. The Hanley brothers followed with 11 points for Fred and 10 for Bob.

After the first quarter the Gold continually kept increasing their margin of victory. Newcomer Phipps was the surprise of the night as he and Northey showed good ball handling and made several fast breaks helping the Gold to take the game.

Purple	6	9	16	29

(Continued on Page Four)

Registration Figures

The Registrar's office announced yesterday afternoon that approximately 325 students registered in the college for the second semester. In addition to these, approximately 75 students are registered in the high school.

Two Students Earn 4.00

Although grade point cards have not been made out or distributed, the Registrar's office released the grade points of students who made 3.5 or over. Miss Davison also announced that 67 students had grade points of 3.0 or above. It was requested that students do not inquire at the office for their marks, but wait until cards are distributed. Students earning grade points of 3.5 or over are as follows:

Bromley, Myron	4.000
Koenigswald, Lelia	4.000
Phillips, Eleanor	3.833
Turner, Phyllis	3.833
Swauger, Virginia	3.800
Mehner, Frank	3.667
Jackson, Merrill	3.667
Wight, Mary	3.625
Johnson, Hazel	3.625
Horton, Natalie	3.600
Goodrich, Beth	3.600
Brooks, Ruth	3.571
Anderson, Alda	3.533
Smalley, William	3.500
Gleason, Helen	3.500

A Call to Prayer . . .

All real Christians pray. We are exhorted to "Pray without ceasing." And we have our regular times and occasions of prayer. But this is a special call because of a very special need. We are facing another revival meeting and this meeting demands prayer, more prayer, and more efficient prayer. To this end the committee on religious work in the college suggests the following program for Tuesday Feb. 6. That prayer be offered primarily for our coming revival meetings. The morning watch, at the usual hour and place. In each class recitation about ten minutes will be devoted to prayer as the Spirit leads. At the chapel service Dr. Paine will speak on prayer. And at 2:30 p.m. in the church, the pastor will have charge of a general prayer service which will be for all who care to attend. The class prayer meetings usually scheduled for Wednesday will be held Tuesday at 6:30 p.m. in the respective rooms at the church. Each class will select its own leader. This program has the endorsement of the W.Y.P.S. cabinet. Let us not feel that this is to be a stereotyped program for we know how God has often led us to pray outside of all plans. We want the Spirit to lead. I trust we shall take this seriously upon our hearts and every one of us co-operate. If you are not a person who prays you can attend the services and help by your presence and perhaps you will feel led to pray also.

—F. H. Wright

Our Sympathies . . .

The news of the wounding of Mark Armstrong, son of Dr. C. I. Armstrong, and a Houghton graduate of the class of '42, shocked us last Sunday night. On its heels comes the news that Harold Putman, formerly of the class of '46, is missing in action. Two such names do more to intensify our feeling for the reality of this war than do a thousand unfamiliar names in the lists of casualties which appear in metropolitan papers.

We remember Mark and "Put". We know that they are boys, and made of the same stuff of which we are. They are more than a name.

We wish we could do more than extend our sympathy to Dr. and Mrs. Armstrong, and to the parents and friends of "Put". When we get down to think about it, however, we realize that if we can't do anything, we can ask Him to do the work He came to do: to "bind up the broken hearted."

—W. A. S.

Glenora McBride's

In Case You Haven't Heard

The Russian drive into Germany has been so speedy that each day has brought a complete change in the battle line on the Eastern front. The fall of Warsaw, the capitulation of Krakow, and the bridging of the Oder River have all been great Russian victories. Since January 12 the Red Army has been fast approaching Germany. Separated by only 93 miles from Berlin, the German capital, the Russians are still plunging forward. No defenses which have been established by the Germans have been capable of stopping the Russian drive. As the German troops fall back, the German high command warns them that the fate of Berlin is in the balance. In Silesia, Red victories have been costly to the Germans because of the mining towns in this province. The Germans have been forced to abandon upper Silesia which is second in importance to Ruhr valley as an arsenal. As the massive Red Army sweeps forward the Germans seem powerless in their attempt to block the enemy advance which is backed by 4,000,000 men.

German resistance has been weakened on the Western front as a result of the Russian drive in the East. Both Allied and German armies are at a stand-still on the Western battle line. Lt. General Patton's men have crossed the Our River and driven back into Germany. The unexpected Russian drive has hindered all German plans for another offensive and has released the pressure on the

Allies in France and Belgium.

In the Philippines American troops are driving forward with incredible swiftness comparable to that of the Russian drive. Yank patrols, advancing before the main forces, are now within 30 miles of Manila. The American forces have successfully repulsed the Japanese resistance which has been encountered thus far. General MacArthur has reported that American losses have been slight in comparison with those of the Japanese. Japanese resistance has been disorganized and weak because of the suddenness of the invasion of Luzon.

In Washington Jesse Jones fought against the appointment of Henry Wallace as secretary of commerce. President Roosevelt had to fulfill an obligation to Henry Wallace so he removed Jones from the commerce department in order to make a vacancy. The President although praising Jones stated that Wallace deserved any position that he could fulfill. Jones' position as secretary of commerce also included a post in the Reconstruction Finance Corporation, and he stated that Wallace was incapable of holding both these positions. Wallace, however, will not accept the commerce post without the other position. Franklin Roosevelt's political debt to Wallace has resulted in a political fight in the nation's capital.

High School News . . .

By High School Students

The beginning of the second semester and now back to studying. First, to the old students, we are glad for the records you have made in the past semester, but let us not rest on past laurels; let's work in this semester to make better records. Second, to the new students, we are one big family here in Houghton Prep. Always feel free to call on any of us for help. Pattern your ideals not with the lowest of past efforts, but with the highest of future efforts. In doing this, remember Paul's injunction to Timothy in his second Letter, chapter 2, verse 15. Third, old students and new alike, pray for the coming revival service at all or any one of the various high school gatherings. Start the day off with morning watch, then Tuesday evening prayer service in S24 and Sunday afternoon, Light Bearers. With all of these things in mind, let us do as Prof. Stockin advised in chapel last Tuesday, "do better this coming semester." Again, we wish the new students a hearty welcome.

Monday night in the Bedford Gym the high school boys were defeated in an overwhelming way by the college all-stars. We were defeated fair and square but it took the best of all the college teams to do it and we can be proud of that fact. The scoring in the first half moved neck and neck with the high school slightly in the lead, but then in the third and fourth quarters, the H. S. was left far behind as the college team broke through and scored again and again to make the most overwhelming

score against the high school lads of the year.

Ralph Knotts played the best game Monday night that he has played all year. Art Chrysler also played an excellent game for his last showing on the court this year. Minor and Carlson gave very good accounts of themselves, but went out on fouls in the last quarter. Sam Northey played a very nice defense and did some good passing.

As a whole, we of the high school are very proud of our team for the work they have done this year and we would like to give them the recognition that they deserve. The cheerleaders also did a very fine job considering the fact that after the first few games, they lost one of their squad which left them short-handed. We would like to thank the college for allowing us to play in the college league and for the fine sportsmanship that they exhibited and the support that they gave us.

Rank 'n' File

... And still they go. Ward Hunting will join the rank and file as a Navy Radar cadet soon. Robert Van Darnar of the freshman class re-enlists in the Army on or about February 14. A master sergeant in the Air Corps during his previous service, he hopes to be commissioned a lieutenant this time. Hold your breath ... we hear Professors Cronk and Stockin have been classified as I-A.

Cadet Nurse Marilyn Bernhoft (ex '47) who is studying at New England Baptist Hospital paid us a visit last week. She is getting top grades in all subjects.

Donald Kouwe, whose pre-Christmas visit we neglected to mention, has been promoted to sergeant.

Pfc. Max Fancher (H. S. '44) has written a very appreciative letter from Lorraine in France. He wishes to get in touch with any former Houghton students who might be in that area. "The students were continually complaining of things that seem rather trivial now. ... After living on 'K', 'C', '10-in-one' rations for about two months now, a dorm meal would be worth about ten dollars a day. ... As long as Houghton trusts in God and the faculty and students hold a fear of God, she will continue. ... I never really appreciated Houghton until now. The training I was getting at that time seemed too strict, but now it's far from being that way. ... God has been with me and I do praise Him for it."

We are unable to obtain details, but we understand that S/Sgt. Francis Gardner took unto himself a wife from the old home town about September 1. They are living in Denver, Colorado where "Skinny" is stationed.

Raymond Coddington, SI/c (RT), who left school at the end of last semester, writes us from Great Lakes, Ill.

"Yes, the 'RT' after my name does mean that I'm in the Navy radar. It stands for radio technician. I almost didn't make it because the navy recruiting office at Olean failed to send in my preassignment number to the induction center.

"I expect to be here in boot camp about four or five more weeks, get a nine-day leave and then I'll be put in school for about ten months. So far, I like the Navy very well—that is, all except the work details which were assigned to us every now and then. I ought to make a fairly good housewife by the time I get out of here—with all the washing of clothes, making beds, sweeping, dusting, etc.

"There's one thing I can't quite understand. They call this boot training, but I stuck my boots (leggings) in the corner and I can't get any place trying to train them.

"Most of the teaching around here is done with the use of motion pictures. Most of them are very interesting—much more so than listening to lectures. Of course, I'd rather be in Houghton

listening to lectures rather than out here seeing movies. I didn't realize what swell friends I had there until I had to leave them.

"Out here in our barracks there are fellows from all states of the union. Our company comprises 118 men, several of whom are now in sick bay with scarlet fever. We have to take a couple of sulfa pills every day for the use of a preventative against scarlet fever and a host of other diseases. I suppose my joints will be working on ball bearings if I take many more pills.

"Keep shooting STARS and I'll keep STAR-gazing."

I Believe

God has recently brought to my attention the verse, "Whatsoever ye do, do all to the glory of God."

My heart has been searched by several questions. Do I say every word that I say for His glory? With this question came the conviction that many things that I have said and for which I have been sorry afterwards would never have been uttered if I had had only God's glory in view.

Is my every act, great or small, whether at study, work, or recreation, done with the consciousness of the presence of God with me?

What a joy is found in directing our utmost efforts for God's glory and for the advancement of His kingdom! What a blessed privilege is given us to know Christ as an intimate, personal companion, "a friend that sticketh closer than a brother!" What happiness and peace come to our hearts as we constantly commune with Him and confide in Him all our joys, problems, and sorrows, assured of His interest, help, and comfort!

Lord, teach me to honor and glorify Thee in every word and action.

— Carl Becker

Party for Mr. & Mrs. Derr Held in the "Pantry" Den

A party in honor of Mr. and Mrs. Jack Derr, the campus newly-weds, was held last Monday night in the Pantry. Those attending were students who are members or have regularly attended the Church of the Christian and Missionary Alliance. Master of Ceremonies was Hazen Britten, who led in choruses, games and general entertainment. Among the highlights of the evening were impromptu speeches by Mr. Booth, Miss Lelia Koenigswald and Jim Shoe. Another event was a debate held on the topic, "Resolved: that the next new building on Houghton campus be a skyscraper." The affirmative was upheld by Jack Derr and Jane Adams. The negative was set forth by Ruth Derr and Bill Smalley. The affirmative proved the stronger in its approach to the subject and was awarded the victory in spite of the fact that the strong negative rebuttal repudiated all of its points.

Refreshments were served later and Miss Beck did her best to honor one of the waitresses with an ode of her own composition, but was not successful in finishing her work before the party broke up. Devotions were led by Naomi Rey, who is leaving the campus to go into religious work.

During the course of the evening, a gift was presented to the "newly-weds" by the guests at the party. It consisted of a cookbook and a lace table cloth.

Final League Games of the Year end with Hi-School Champs; Sr. Women Undefeated

Women's Game

On January 19, the senior women in their last league game finished the season undefeated as they took the freshmen 34-24. In her top form, Avery led the sages with 16 points while "thirty point" Wentzell made 10 points.

A good sized crowd was on hand for the girls' game. Roy Takaya and Dave Flower did an excellent job of refereeing.

The upperclass women started out fast

(Continued on Page Four)

Men's Contest

The men's championship was won by the high school on January 19 when the frosh eliminated the sophs from the play-off by defeating them 38-33 in the tightest and most exciting game of the season. Capt. Brandt and "Bob" Kalle led the activity as they each made 16 points.

One of the largest and most enthusiastic crowds of spectators was on hand to help in the game. The tussle itself was a see-saw affair as one team would get a basket taking the lead only to lose it seconds later as the opposition came through with a foul shot and basket. Until the end of the game only once or twice were the teams ever separated by more than three points.

The sophomores used fast passes to a man under the basket to get several of their points and made 13 out of 15 in foul shots. The frosh depended upon set shots and fast break. With about five minutes left to play, Brandt led his team to take the final lead, which the sophs were not able to overcome, to take the game by five points.

Between the games the audience sang the Alma Mater following which there was a minute of silence. Tribute was thus paid to the boys who should have been there that night.

ROBERTSON INTERVIEW . . .

(Continued from Page One)

shares honors with Richard McNeese and Johnny Andrews in being the only small boys of the faculty families, he was glad that his boy was born before they came to this strange community where everyone's baby is a girl.

In addition to teaching and preaching, Dr. Robertson is interested in music. He was once the organist of a church in Scotland and is still very fond of the organ.

Dr. Robertson, as full-time psychology professor, will be teaching general psychology, social psychology, educational psychology, adolescent psychology and educational measurements. He will fill the place left by Dr. Philip F. Ashton, who left for Seattle Pacific College last spring.

ever, everyone seemed to enjoy himself, even those who joined the clean-up committee.

Seniors Have Breakfast As First of Monthly Parties

Sleepy Seniors rose early on Monday morning in spite of no "eight o'clocks." They trudged down the hill in the cold to the Rec Hall to partake of the first in a series of monthly breakfasts and parties they plan to hold during their last semester together.

While the girls from Tucker house, who comprised the food committee, created a smudge in the kitchen, the other Seniors made attempts at playing ping pong, or stood huddled before the fire or over the register. The food—grapefruit, pancakes and sausages—was delicious and disappeared almost as soon as it reached the table.

Since the master of ceremonies overslept, the entertainment was very informal and of the conversational type. How-

HOUGHTON Intra - Mural

BY ROY TAKAYA

There may have been a few among the college casaba fans who were disappointed because of the outcome of the Class Series Championship, which was annexed by "Hi" Hill's trim hi-school basketballers. For the benefit of those who have not seen through the situation a reminder to an article written at the beginning of the season might help to give a clearer picture of the set-up.

At the beginning of the season Coach McNeese, acutely aware of the shortage of basketball players, decided to combine the two upper classmen to form a team. The sophomores, frosh, and hi-school were each to function as individual units.

The sophomores, with only one carry-over from 1st year squad, were still considered as one of the leading contenders for the crown. The frosh were rated as the dark horse, and the jr.-sr. combination was awarded an even chance. The hi-school with its evenly balanced quintet was given the nod as the chief contender.

MANY TIGHT GAMES

Through the season in some very tightly matched contests the hi-school has proven their ability against their opposition and have come through the series with only one loss, which was to the sophomores earlier in the season. Let's give credit where credit is due! The hi-school has worked hard for their position and have had loyal support from their classes. They have manifested a fine spirit of sportsmanship and have received victory worthily.

The team which rose to its height at the end of the season was the "dark horse frosh". The passwork and close zone defense used in the final frosh-soph game showed vast improvement over the uncoordinated teamwork of earlier games.

The "jinx team", alias the jr.-sr. combination, specialized in losing by one or two baskets at the last moment of play, and landed in the cellar position.

The sophs, who looked as though they would perch on top at the end of the series, were bumped off by the frosh in the last game of the year, and settled for second place.

All eyes are now turned to the coming clash of the purple-gold series.

Kalle	52	Avery	67
F. Hanley	50	Voorhees	53
Spisak	49	M. Fancher	44
Barnett	49	Panich	44
Minor	42	M. Thornton	43
Priebe	37	Donley	41
Takaya	36	Drew	39

Each of the ten men have participated in 6 games except for Minor who played in 5.

All participants in the girls list played 7 games except for Fancher who played 6 and Drew who played 4.

MEN'S HIGH SCORERS

Glancing at the totals, we see that Dave Flower leads the men averaging 16.5 points a game followed by "Bob" Carlson with 11.5 tallies each time he has donned his suit. Each of the first four high scorers represent a different team. Except for Flower and Kalle, the high ten are purple players.

WOMEN'S HIGH SCORERS

Marion Bernhoft takes the honors for the women's division, averaging 11.9 points per game. Only one fellow topped this record. The frosh places the next two with Rhebergen and Wentzell averaging 11 points per game. Although Drew's total score was lower because she played only four games, she made almost 10 points each time. As we have said before, it takes good team work of forwards, backed by efficient guards to win. The senior forwards take places 4-5-6 on the list. Out of the top six players, three are purple and three are gold. However, the next two are also gold.

All-Stars of Both Divisions Win from the Class Champion Teams Last Monday

Senior Women Defeated

The senior champions of the women's division met their first and only defeat of the season as an all-star team drawn from the underclassmen defeated them 27-23. Wentzell led the attack with 15 points, followed by Avery with 13.

The seniors held their own during the snappy first three-quarters. During the second half, the only all-star to make any points was Wentzell whose eight points in the final quarter proved to be the margin that gave the underclassmen the game.

ALL-STAR WOMEN WIN . . .

(Continued from Page Three)

and took an early lead which they never lost. The seniors used a preponderance of plays in the circle whereas the frosh depended upon passing under the basket. The seniors seemed to have the game put away by the half but the freshmen did not give up hope as they got sixteen points in the third quarter. However, the senior guards tightened down in the final stand to allow the frosh one point and gave Doc Luckey's "Lovelies" a victory in their last game.

Hi-School Loses, 52-32

Last Monday night a college all-star team trounced the high school team which won the year's interclass championship. Carlson was high-scorer with 14 points in a game which ended 52-32. Flower and Kalle lead the all-stars with 12 points each.

The high school kept a slim lead in the first half as fouls were made very freely by both teams. The all-stars, sparked by Spisak who tossed in ten points, put the game away in the third quarter. When two high school players were banished from the game because of fouls in the final quarter the all-stars stepped up their slaughter with Flower, Little and Spisak sharing the honors. A high total of 40 fouls were committed in the game. Of them, sixteen were converted into points.

FIRST PURPLE-GOLD . . .

(Continued from Page One)

WOMEN'S GAME

Last night the Gold women took a 21-18 victory over the Purple in the initial game of the series. It was Avery who kept the Purple in the game as she made 12 points, but Fancher's 11 tallies helped to give the victory to the Gold.

Except for a few minutes in the first quarter when the Purple had a temporary lead of one point, the Gold was never headed. In the second quarter the Gold took the winning lead as Bernhoft and Fancher added seven points to the score. The game appeared to be over at the end of the third quarter, but with the Gold forwards bottled up, Avery with five points came close to tying the score.
