## Miss Rachel Davison

. . . because to us her life is synonymous with the theme of our book and college. Since working on the first yearbook in 1923, she has served Houghton with no thought of self in the capacity of teacher, advisor, and administrator. More than this, her quiet smile of assurance and her patience in the most trying situations have been a living witness to our theme "that in all things He might have the preeminence."

# The President's

## CHRIST PREEMINENT

The most important requirement for success in life is to be lined up with the will of God. The cardinal force of God's will is that Christ Jesus, who abased himself to taste death for every man, should be exalted to first place—"that in all things he might have the preeminence" (Colossians 1:16-18).

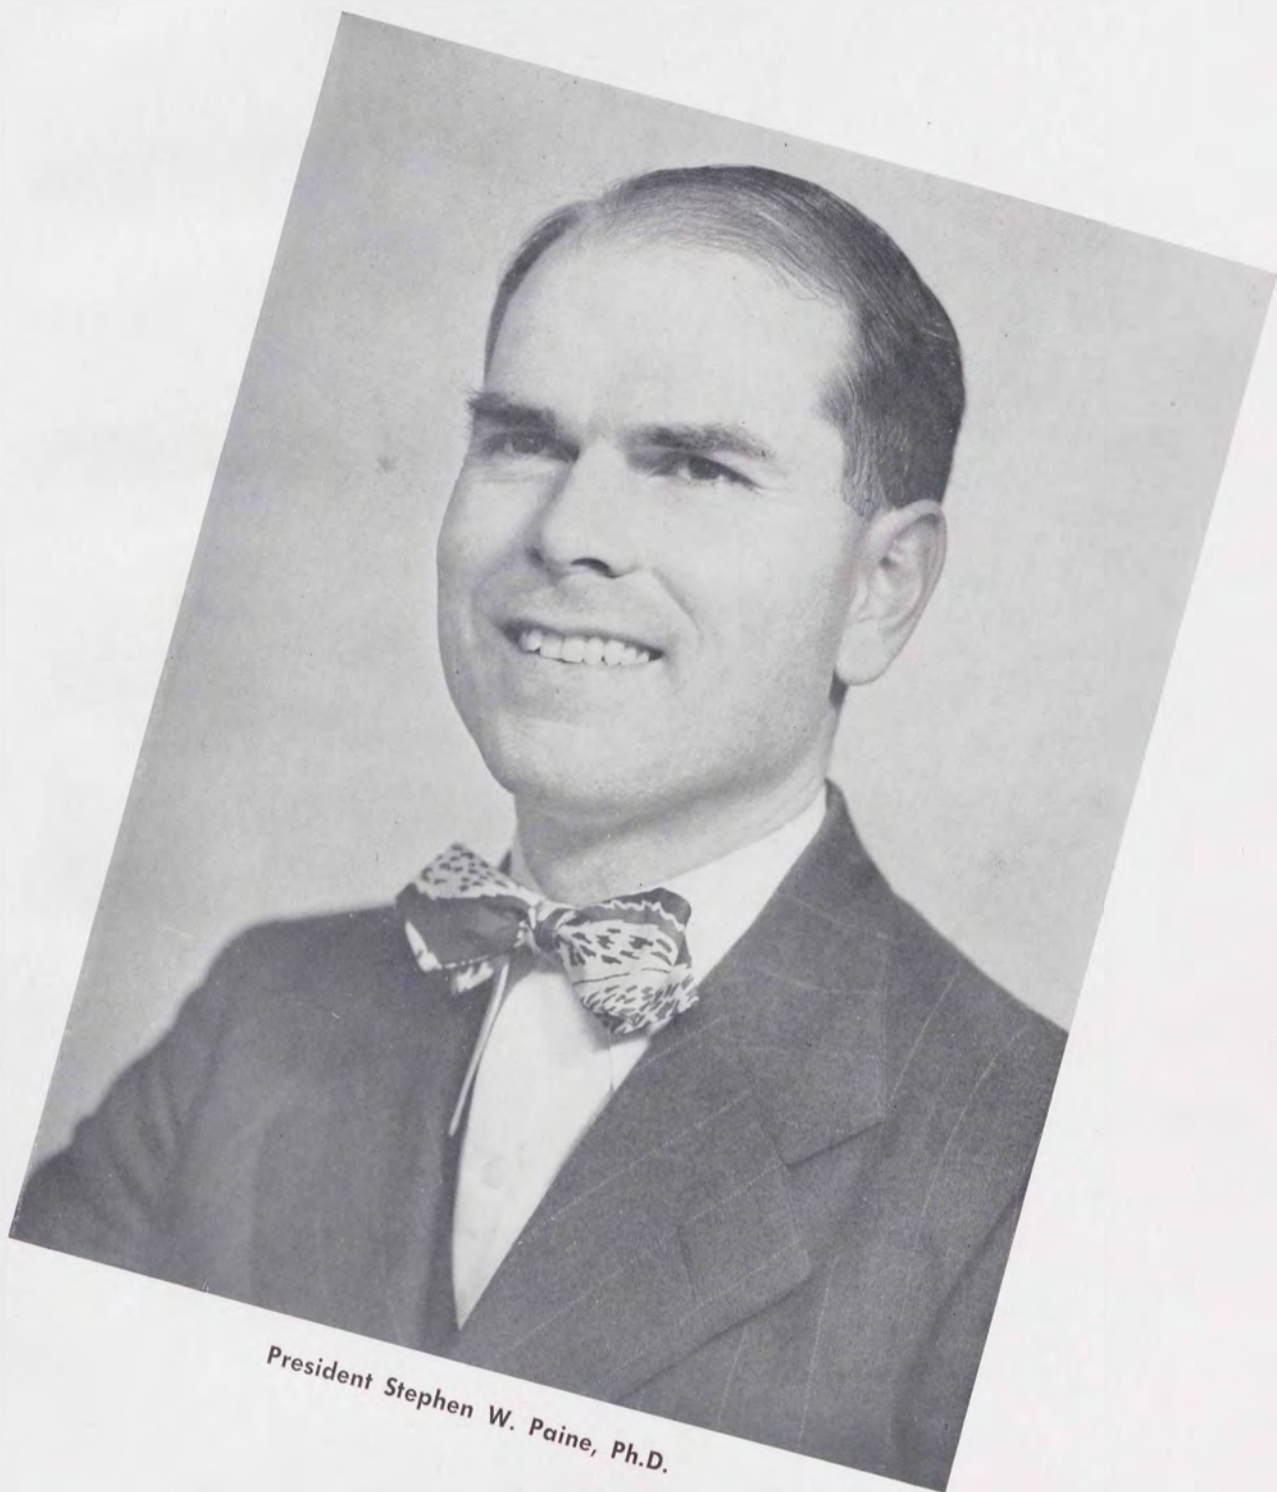

Too many Christians are not willing that this should be true in their lives. Yes, they avow allegiance to Jesus. He is perhaps even prominent in their living and planning, but not preeminent. Preeminence means abdication—taking the God-given power of choice and casting it down at Jesus' feet. Preeminence means actually dying to self and letting the Spirit of Christ occupy the whole man—"To know nothing save Christ and Him crucified,"—to experience "the fellowship of His suffering, being made conformable to His death."

But only as we abdicate our own will, as we thus "die the death," can we be sure that our central objectives are those of God himself, that our will is His. Then when we pray, it will truly be "in His name" and the Father is pledged to grant our request. The bearing of fruit begins only after the corn of wheat has died.

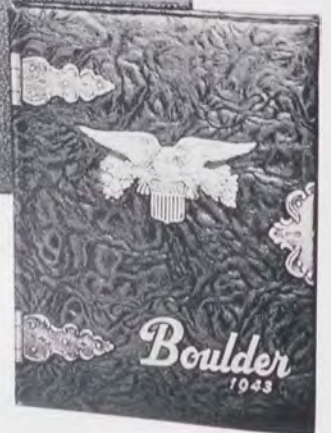

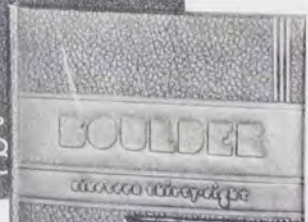

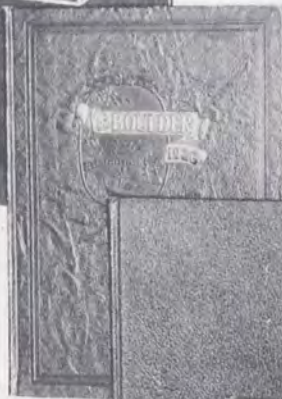

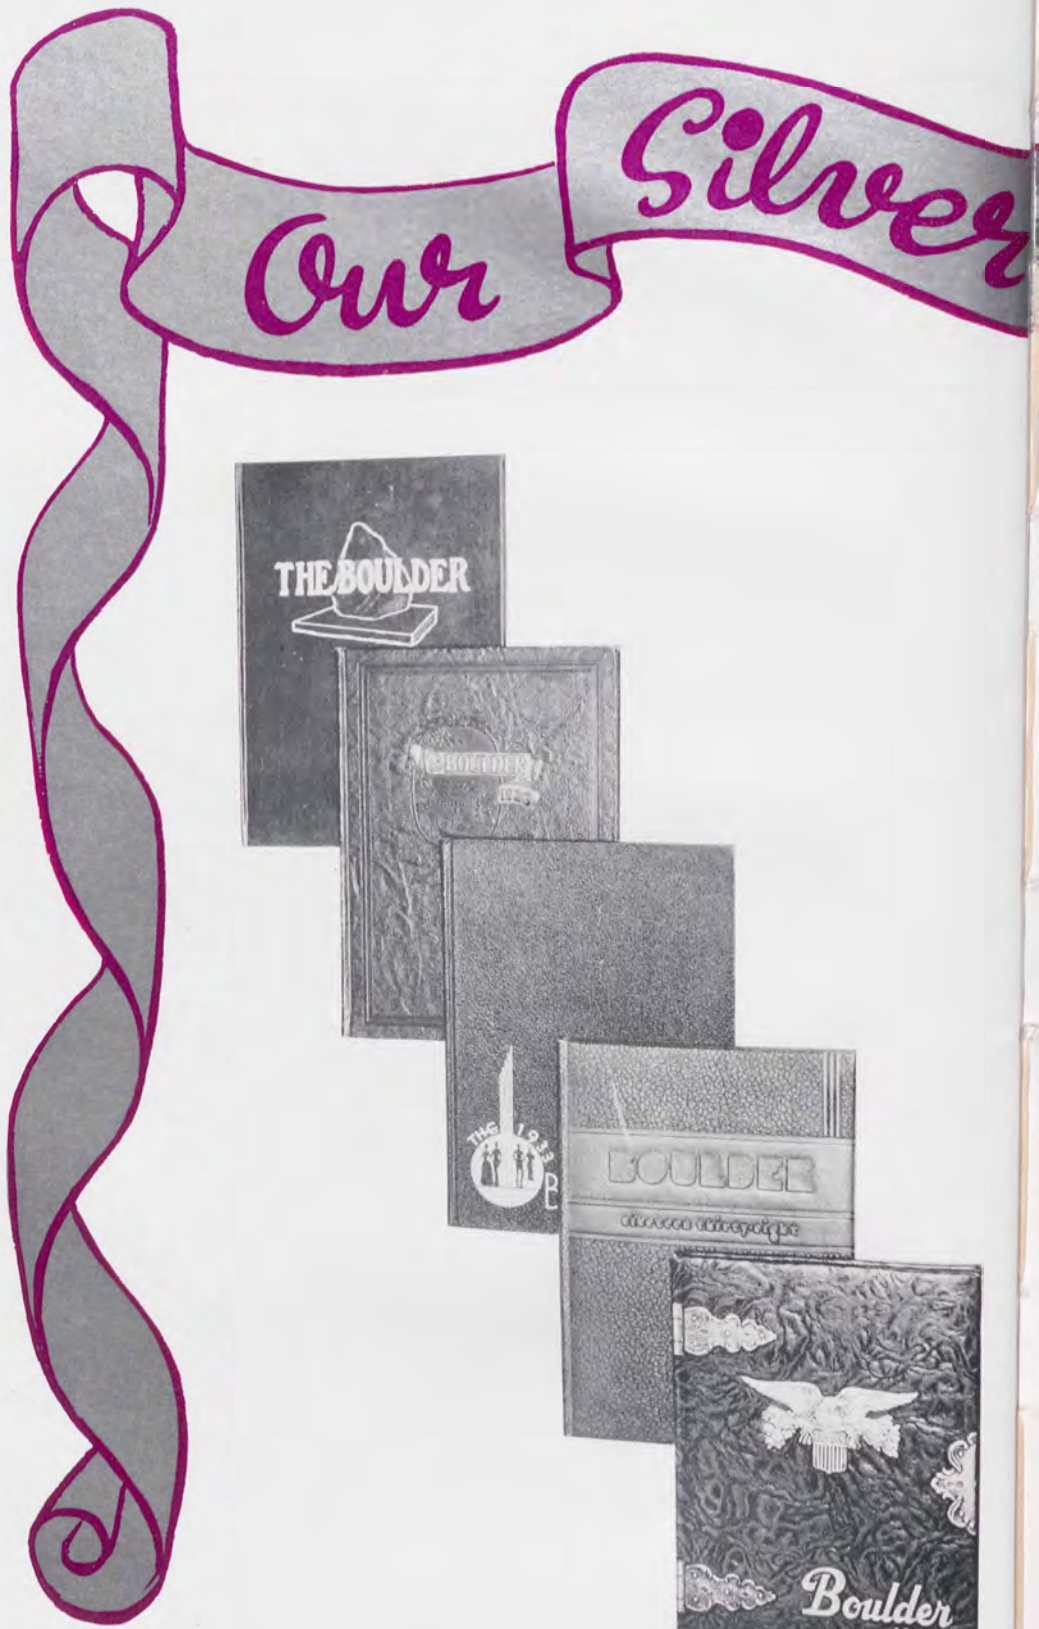

God wants not our efforts, our money, our things. He wants us—emptied of self, filled with the Holy Spirit—to will through us, to work through us (Philippians 2:13), to be through us (1:21). "THAT IN ALL THINGS CHRIST MIGHT HAVE THE PREEMINENCE."

## For 25 Editions . . .

Just a quarter of a century ago, our yearbook made its debut. Since it was a monument to college days, symbolic of permanence and spiritual strength, it was given the name *Boulder*.

The *Boulder* has played a variety of roles. In its fifth year it assumed the semblance of a riverboat, and the following year it caught the pioneer spirit. Two years later it sallied back to the days of castles and kings in Europe, and then it managed to step into the colonial era in America for the next edition. In a more recent year it was written like a letter to Johnny, and again as a diary.

The themes change, but the goal is the same—to recapture the spirit of campus life and to preserve it for days of reflection.

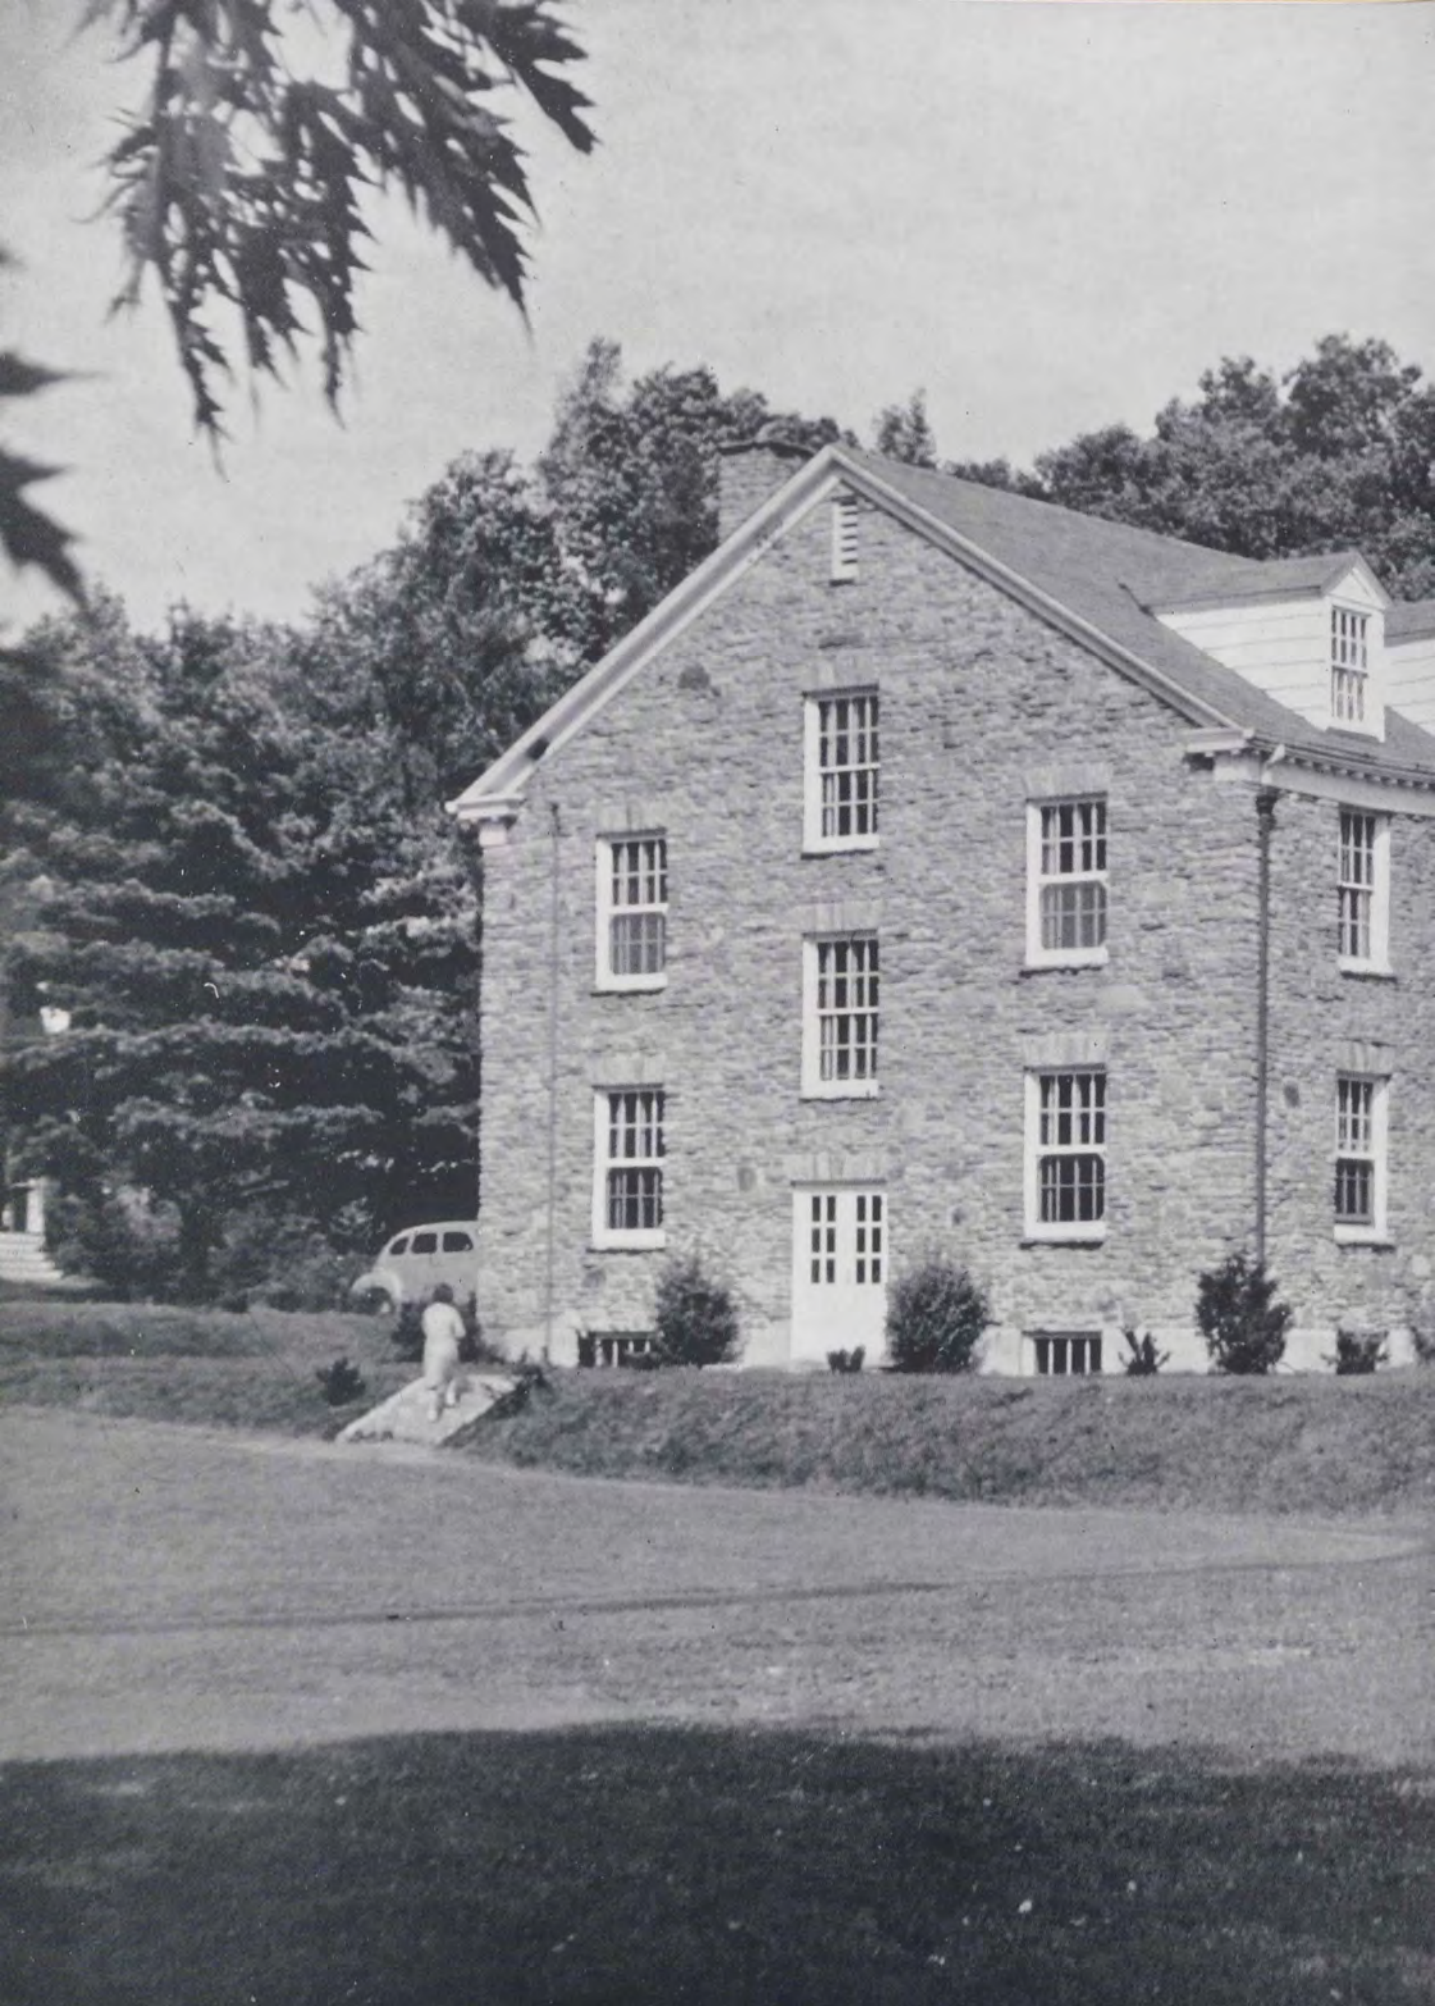

*"...that in all things"*

All the things that go to make up college life—the simple greetings exchanged on the campus, the pause for prayer before each class, the keen sportsmanship on the gym floor, the personal interest of professor in student—yes, in all the things that make up life in Houghton that . . .

*"...He might have*

## *the preeminence”*

He to whom we owe our first allegiance, for we know that “in Him dwelleth all the fullness of the Godhead bodily, and ye are complete in Him.” Realizing there is no division of sacred and secular, for “all things are Christ’s and Christ is God’s,” at Houghton He alone has the preeminence.

An aerial photograph of a school campus, likely Houghton High School, showing various buildings, a large field, and surrounding wooded areas. A prominent red banner with the word "Houghton" in a cursive font is overlaid on the right side of the image. The campus features a long, multi-story building on the left, a central building with a clock tower, and several other structures. A large open field is visible in the center, and a road runs along the bottom edge. The surrounding area is densely wooded.

## ALMA MATER

. . . Honored lives for thee have fallen,  
Hearts that broke and bled  
Have been wrung thy cause to prosper  
And thy light to shed.

Other schools may claim their thousands,  
We're a smaller band;  
But for God and righteousness, we  
Take a noble stand.

Soon from out thy halls of learning  
All must take our leave;  
But thy memory still we'll cherish  
To thy precepts cleave.

When o'er earth thy fame has risen  
Like the morning light,  
'Twill but rise the earth to gladden  
And dispel the night. . .

# Class of 1948

## BEYOND THE HILLS OF HOUGHTON LIES A WORLD . . .

a world waiting for the contribution that the Class of 1948 has to give. Never before has the need for Christian teachers, doctors, preachers, and laymen been so urgent. No one need remain idle because of insufficient fields of opportunity.

Every graduate who leaves Houghton does so with a double responsibility—not only that of a higher education but also the compelling conviction that knowledge without Christ is vanity and “only what’s done for Christ will last.”

...Shall we, whose souls are lighted  
With wisdom from on high,  
Shall we to men benighted  
The lamp of life deny? . . .

We, the Class of 1948, hurl back the answer “No!” and claim our class motto—

# Class of 1949

The Class of '49, with a membership of 154, is the largest Junior Class in the history of the College. Typical of the American "melting pot," five nationalities are represented in the class—Colombian, Brazilian, Puerto Rican, Swiss, and Canadian. The class boasts members from nineteen of the forty-eight states, as well as twenty-two different Christian denominations. Fully half of the men in the class did a tour of duty with the Armed Forces.

The social ardor and capability of the class was to be seen early in its life at the Frosh-Junior Party held in the gymnasium. Produced after the manner of a three-ring circus, that party proved to be the largest ever attempted at Houghton. The Class of '49 has been three-time winners of the class basketball series, placing it high in the athletic bracket. Continual progress and high scholastic honors have consistently characterized the class.

Almost one hundred per cent of the Juniors have participated in active Christian extension work at Houghton, purposing to lead lost souls to a saving knowledge of the Lord Jesus Christ. Twenty members of the class are training for foreign mission work, forty-eight students are preparing for Christian education work on the "home field," and nineteen are preparing for the Christian ministry. Truly this class has determined to give Christ the preeminence in all things.

## Class of 1950

As a bewildered group of 343 freshmen we came to Houghton College in September, 1946. Our sole distinction was that of numbers—the largest class in the school's history. Although we now number only 216 according to the September, 1947 enrollment, we are still a large class.

Our members come from eighteen states of the United States and Canada of the British Empire. A majority, however, come from Houghton's own state, New York. In addition, we represent sixteen denominational backgrounds, more than one-third of the total number of denominations in the Houghton student body.

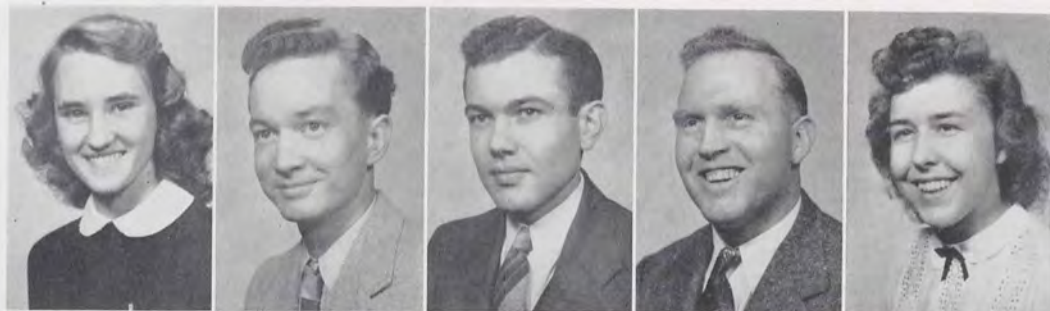

We organized early in our freshman year. Class spirit has become increasingly important in each of our lives. Our motto is CHRIST PREMINENT. Following lively discussion we chose green and white as the colors to represent us in our athletic uniforms and class jackets.

The class as a body meets regularly twice a week. The Monday meetings at chapel time are devoted to business, prayer, and testimony. Our Thursday evening prayer meetings are sources of great spiritual blessing and uplift under vital Christian chaplains.

A survey of the class shows definitely our desire to serve Christ. Of the sixteen occupations into which the Lord has called us, the majority of sophomore students are preparing for the Christian ministry in eight different fields. Already half of our number have participated in extension work in preparation for full-time Christian service. Truly our desire is "Christ Preeminent"—in all things.

# Class of 1951

Now that our green hats and clumsy posters are safely stored away, we can look back and smile over our first "freshman daze." Some of us came from New York City and others from the woods of Maine, but regardless of our various backgrounds, we quickly merged into one unit—the Class of '51!

Before we came to Houghton we knew that here was a school "founded on the rock," yet we couldn't help but be impressed by the Christ-honoring atmosphere in every activity from the first day when we bowed our heads for prayer before the English test to the inspiring devotions that closed the grand day at Letchworth.

With more than half of our class preparing for full-time service, we set our eyes once more on the goal before us. There is yet a great work to be done and we realize it. Knowing this, we chose as our motto: "Thy kingdom come, Thy will be done."

Houghton is indeed fortunate to have connected with the college, as a vital part of it, our own preparatory school.

Under the capable direction of Professor Wesley Moon, assisted by a staff of competent instructors, a scholastically high secondary education is offered. Every year finds several foreign students enrolled, as well as many missionaries' children.

Here is made possible a high school education in a Christian atmosphere with the opportunity for continuation on into the college.

"Whatsoever Thou Doest Do  
All To The Glory of God..."

REV. C. I. ARMSTRONG, D.D.

## THE PREEMINENT CHRIST

Writing to the Colossian brethren in Chapter 1, verse 15, St. Paul exhorts them to a consideration of the preeminent Christ. He shows Christ's relation to God, the created universe, and the Church. He is the "image of the invisible God." Such a revelation enables us to know the God of this universe who can be trusted, loved, and obeyed.

His being "the firstborn of all creation" gives Him priority in time, and supremacy in place and position. He is the SOURCE, the AGENT, and the GOAL of all creation. Toward Him all movements converge! He is the Alpha and Omega of the Father's creative purpose. Today He still upholds all things by the Word of His power.

He is also the "firstborn from the dead!" He has risen, never to die again, and the fact that He is the firstborn implies that others follow. Because of this we can join in words of adoration with the hymn writer:

*"All hail the power of Jesus' name,  
Let angels prostrate fall;  
Bring forth the royal diadem,  
And crown Him Lord of all."*

Thus at Houghton College we seek to make Him, who is the center of the universe, preeminent in our lives. It is our purpose to worship Him, serve Him, adore Him, and eventually reign with Him.

## Foreign Missions Fellowship

"To know Him—to make Him known" is the desire of the members of the F.M.F. Because an experiential knowledge of Him is a vital prerequisite to making Him known, the F.M.F. meets each Tuesday to pray for the needs of the students on the campus and for the specific needs of the missionaries in the field. Several former members of the group are now serving Christ in Africa and China.

Speakers from various mission boards present the challenge of their own field, giving the students an opportunity for an intelligent prayer approach regarding their decisions to making Him known in these fields.

The group has candidates for China, Japan, India, South America, Africa, South Seas, Europe, Puerto Rico—in fact, for all parts of the globe in the capacity of evangelists, teachers, translators, doctors, child evangelists and of the many other trained workers needed on the field.

## Student Ministerial Association

The Student Ministerial Association is an organization whose purpose is "to provide by means of discussion, debate, and addresses, an opportunity for development in student preparation for the Christian ministry." It is composed of those whose purpose it is to devote their lives to full-time Christian service.

Outside speakers and faculty members have brought inspirational messages to the group. These messages present different methods of approaching various phases of Christian work and of meeting and solving problems which are inevitable to one who is in Christian service.

The prayer of the group is that we may be fully prepared for His service.

## TORCHBEARERS . . .

The outlet for Christian service on Houghton's campus is found in the TORCHBEARERS organization. On the first and third Sunday afternoon of each month, members deeply aware of the need for God's guidance, meet at the college church for a time of prayer. Members of the faculty, pastors, and laymen, trained in the practical problems of personal work, give advice and inspiration to the group. This meeting is the driving force of the religious extension work of the college.

A brief survey of what is being accomplished reveals that each week groups visit the Fillmore Hospital, Lamort Nursing Home, Angelica County Home, and the Rocky Crest Sanitarium at Olean. These students represent the spirit of Houghton as they seek to demonstrate the love of Christ in personal conversation and testimony. Also, the students are able to show the reality of Christ in their own lives as they hold meetings or visit with the men in the county jails and the Attica State Prison. On Saturday evenings two or three carloads of workers hold street meetings in nearby towns, proclaiming the need of a personal knowledge of Christ as supreme Lord and Savior. On week-ends, teams of five or six members present evangelistic services, radio programs, and cooperate with "Youth for Christ" efforts in cities within a one hundred-mile radius of Houghton.

The TORCHBEARERS realize they have "a charge to keep" in carrying the torch of the Gospel through personal work on our campus and through extension work to the neighboring towns and villages.

Together with meeting spiritual and intellectual needs, Houghton provides a full program of athletics to help its students develop physically. These include Football, Basketball, Tennis, Field Hockey, Track, and Baseball. All competition is intramural, for we believe that student participation can thereby be at a maximum.

Upon registration each student is classified Purple or Gold, and the result gives everyone a chance to represent his color in any particular sport. Each class also forms a team for Football, Basketball, and Field Hockey to enter in the series which is held for each of these.

The class and Purple-Gold teams were very evenly matched this year and were characterized by clean play and good sportsmanship. Football ended in a surprising three-way tie after the favored sophomores were humbled in the final game, while the Frosh girls snatched the Field Hockey crown. The Juniors triumphed over strong opposition in Basketball for their third consecutive championship after a series that will be remembered for its thrills.

All in all, athletics at Houghton in 1948 were of a high quality and Christ was given the preeminence from the word of prayer before each game to the silent thanks afterward.

## Pre-Med...

The Pasteur Pre-Medical Society seeks to assist its members in gaining a knowledge of the up-to-date scientific happenings in the world. This scientific activity, which aims to reflect credit on Houghton College, includes both physical and biological science, with an emphasis on medicine. Included in our activities are guest speakers, field trips, and discussions.

Realizing the urgent need for Christians in the medical profession, both here at home and on foreign fields, we have as our aim "Christ Preeminent."

## Expression Club ...

With its purpose of promoting interest and developing ability in expression, the Expression Club this year has given its members the experience of practical training in planning programs. It is the aim of the club that each student will leave with a greater knowledge and a deeper experience in the techniques of speaking.

This year the Expression Club with its thirty-five members, has had a profitable time working with a program which included choral speaking, one-act plays, dramatic monologues, short stories, radio work, and pageants. During the Christmas season a pageant, "The Birthday of A King," was presented in a chapel service by the members of the club.

**Sitting:** Mrs. Lennox, E. Gibb, I. Giacobelli, J. Williams, D. Kaser, H. Little. **2nd Row:** R. Lawrence, J. Barnett, J. Jewell, M. VanWormer, M. Foster, A. Wetterer, B. Hall. **3rd Row:** P. ## International Relations Club . . .

“Sixtus R. O’Connor Speaks on Defendants at the Nuremberg Trials” . . . “J. W. Shea Explains Taft-Hartley Bill” . . . “Panel on Marshall Plan” . . . Wherever the finger of importance happens to point in the world, there the I.R.C. compiles the data and presents it to the student body.

This year the club is sponsoring weekly newscasts over the public address system in the dining room, as well as maintaining a corner in the library for displaying materials of world interest received by membership in the Carnegie Endowment for International Peace.

## Debate...

"Resolved: that a world federation should be established." Much evidence and many convincing arguments were advanced by each side, and both Dr. Lauren A. King and his debate team agreed that the subject was a very timely and interesting one.

After intensive study, research, and long hours in practice sessions, a fine program of intercollegiate matches was scheduled for the second semester. Dual debates were held with Brockport State Teachers' College, University of Buffalo, Canisius College and Geneva College. Houghton sent its team to tournaments at Mount Mercy College in Pittsburgh, Pennsylvania, and Shippensburg State Teachers' College near Harrisburg, Pennsylvania.

Highlighting the debating year was the second annual mid-west tour that included debates with Westminster, Goshen, Olivet, Nazarene, Greenville, Wheaton College, and Taylor University.

**Sitting:** Mr. Stockin, B. Goodrich, C. Bliss, V. Donelson, F. Robbins. **2nd Row:** D. Davis, M. Laurence, M. Horner, E. Mayhew, E. Adamczyk, D. Ridley. **3rd Row:** D. Wing, J. Combs, M. Miller, H. Kahle, P. Thompson, W. Ball. **Top Row:** C. Samuels, W. Bell, R. Cummings, P. Troutman, P. Ellenberger, S. Fenton, R. Moore.

## Paleolinguist . . .

The purpose of this club is to stimulate interest and to give a more practical working knowledge of the Latin and Greek languages, cultures, customs, and civilizations. Valentine's Day found the beloved god Cupid being feted. Gifts were brought Ceres, the goddess of the harvest, in the fall meeting. The "Ides of March" were remembered this year by a Roman Banquet, at which time Roman togas were worn. Here the painful task of identifying the second aorist is lost in profitable pleasure.

## Art Club...

The Art Club exists for the encouragement of Houghton's Rembrandts. As well as carrying on for personal enjoyment, the group contributes to the student body interest in art by displays of local and imported talent at every Artist Series.

The profits from the sale of Japanese prints this year has enabled the buying of permanent display cases.

**First Row:** C. Disbrow, E. Kalapathy, W. Jersey, E. Douglas. **Second Row:** M. Stockin, J. Lusher, Dolly Benson, Lois Harris. **Third Row:** N. Vining, Elizabeth Lewis, Ruth Bezanson. **Fourth Row:** Carol Davis, E. Stillson, L. Spear.

**Absent:** M. Bromley, E. Robbins.

## Who's Who...

This year "Who's Who Among Students in American Universities and Colleges" gave ten students from Houghton College, membership in its national organization.

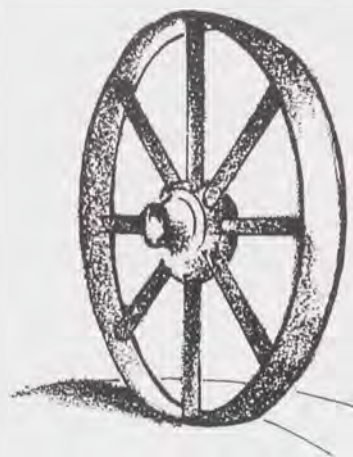

These students were selected first by the college dean, the dean of men, and the dean of women, then presented for final approval to the cabinet of the Student Council. The students were chosen on the basis of high scholarship, character, and offices held, as well as participation in extra-curricular activities.

To students who have received this appointment, national recognition is given in the annual publication of Who's Who Among Students in American Universities and Colleges, where a thumbnail biography appears of each member.

## Student Council...

The principal purpose of this organization is to execute the will of the student body which elected it. Consistent with this fundamental function it seeks to solve collegiate problems, to co-ordinate and harmonize all campus activities, to encourage and lead positive purposeful student programs, to uphold the Word of God, and generally as a progressive body of student leaders, to contribute in whatever ways are possible to the well-being of Houghton College, and to assist in accelerating her development and growth.

**First Row:** T. Muller, C. Hayes, J. Harr. **Second Row:** M. Miller, J. Schlaitzer, M. Grody, V. Harr, B. Harvey, D. Ellenberger. **Third Row:** D. Boyle, W. Gifford, R. Nast, K. McPherson, L. Montzingo, L. Beach, R. Luckey.

# "Daddy was a Vet.."

CAPT. SHEA

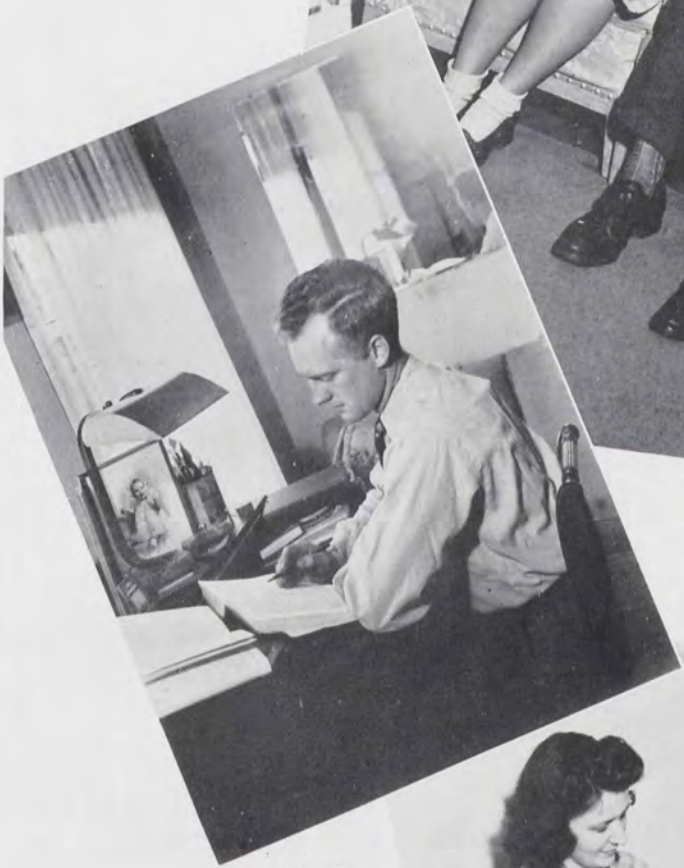

To those who live in Vetville, "Over the Hill" is a familiar expression. "Over the Hill" from the campus has mushroomed, in a year's time, a small city that boasts the best road in the township. Along this quarter-mile of road live sixty-six vets and their families, the happiest people in the world. For these vets it is no longer "Hit the deck" or "Reveille," but "Do you have an eight o'clock, dear?" The only creature in Houghton unhappy because of the suburb is Professor Fancher's cow, which, unfortunately now has no pasture.

Vetville vets well deserve this haven in return for a job well done. Professor Shea, Captain A.A.F. (Res.) is father to them all in the capacity of Veterans' Administrator.

# "Let's go to Press..."

T. Ireland, J. Harr, K. Clark

To combine the various functions of a newspaper toward the perpetuation of the Christ-honoring ideals of the institutions is the primary object of Houghton's weekly publication, the *Star*. The *Star* furnishes much opportunity for the development of literary talent and makes available to the members of its staff valuable experience in the various technical phases of newspaper work.

1947-1948 was a successful year. The *Star* was restored to its pre-war size. The high quality of reporting, which has been characteristic of the paper in past years, was continued by an efficient staff, which at all times strove to make Christ pre-eminent.

**First Row:** D. Larsen, A. Rabenstein, A. Belding, J. Burr. **Second Row:** E. Tromp, A. Wetterer, K. England, M. King, R. Bitner, M. Harris. **Third Row:** D. Montaldi, M. Sutton, S. Andrychuck.

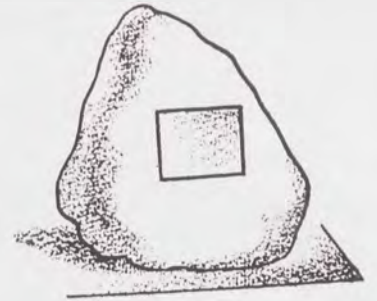

By now you have your impression of our BOULDER well formulated. We sincerely trust it has met with your expectations.

Our aim was to present the Houghton we know and love. Buildings and faces can easily be recorded, but we sought to capture the spirit that makes HOUGHTON a place where "men meet God."

We pray you will receive as much pleasure and blessing from reading your BOULDER in the years to come as we have had from publishing it.

In Him,

## “For the Word of God . . .

**A**ND *for the testimony of Jesus Christ*”—most fittingly describes the spirit and purpose of *Faith Theological Seminary*. Absolute fidelity to God’s written word and the highest type of Christian scholarship brought to bear upon it, here unite with an earnest emphasis upon vital spiritual living, and a personal witness to that living Word without Whom we can do nothing.

The teaching is accordingly true at every point to the great Christian fundamentals, including the pre-millennial return of Christ. Since the Bible is true, it will endure the severest tests, honestly applied. Modernistic theories, therefore, are carefully examined; and the facts, together with all alleged discrepancies, are confidently faced.

For complete details upon other phases of Seminary life and work, please correspond direct with Dr. Allan A. MacRae, President, 1303-B Delaware Avenue, Wilmington 19, Delaware.

**RESPONSE FROM A SUPPOSED  
PROSPECTIVE ADVERTISER:**

I’m very SAD to tell you  
But The Wesleyan Hour is gone,  
It died from “Sheer Neglect,” you know,  
No funds to carry on.

Oh, yes, it’s missed by thousands  
And its many friends all pray  
That there’ll be a “Grand Awakening”  
And a resurrection day.

Now when that day shall come to pass  
We’ll advertise the news;  
And for our advertisement — sure  
The BOULDER we will use.

**We’re for This Community!**

We’re for anything that will benefit the welfare and prosperity of this community and its people. That’s why our men and women workers participate actively in every worthy enterprise. We’re glad to do it because we want to be good citizens and neighbors wherever we serve.
