As you read these words, probably some of you are thinking about Houghton College; wondering what it will be like to pull up roots and move to a brand new place. It's exciting....but it's also frightening. A year ago right now I felt the same way. After 15 years in Santa Barbara California, we packed up, said goodbye to the sun and the sand and headed for a new life. Some people thought we were crazy, but honest to goodness, everybody needs change. All year I've bored my friends saying, "The seasons are the punctuation of life....and 72 degree blue sky year round can feel like a run-on sentence!"

Houghton has been no disappointment. The week we arrived the weather turned muggy just in time to haul thousands of books into the attic. But hardly had the storm windows gathered dust in the basement when the trees exploded in a Disney fantasia. Conversation during weekend drives to Rochester had echoes...."Dad, if you say 'Wow' or 'Man look at those trees!' one more time I'm getting out!" It was everything we had hoped for and more. Was it Thanksgiving, or was it really Halloween at 6am when I squinted through the window slats to see the woman I love shovelling the walk. In unbelief I rapped loudly and this same grown woman, mother of my children flopped to the ground and became at one time both a child and an angel! It had been years since we'd flapped our arms like that! The music of winter filled warm sanctuaries and brought holiday tears of love for absent family and the Gift of Christmas. As promised, the season lingered and we cherished every flake....well al-

most every flake...for skiing. There is simply nothing like blue sky, pointed pines, snuggling silence, and meeting friends on the trail in the woods. The joke in March was that "We didn't mind the short 70 degree spring last week because we'd been warned about short springs. What disappointed us was that we missed summer altogether!" The temperature roller coastered for weeks. 50 degrees in one day?! In the immortal words of Mij Aionam, "It ain't the ups and downs, it's just you can't get off!" The plastic tulip along my walk to work on main street fooled me only once; but that was enough. "Dad, did you actually think it was reeeeaaaall!?" And now...finally...the spring-loaded dandelions are mocking our mower and the storm windows are again gathering dust in the basement. We've come full cycle and now it's your turn.

The seasons of your life are about to change. We all need it. It's how we grow. There must be sweating and flapping, crying and mistakes, mockery, work, and joy.

At Houghton we take great pride in the growing that takes place here. It is physical, emotional, moral, intellectual, and spiritual. It comes at cost. As I have told my own students for over 20 years, "If I don't make you a little mad at me once in a while, I'm probably not doing my job, and you probably aren't getting your money's worth." A liberal arts education is not just vocational training. Oh we are quite confident that what you gain here will help you DO many things and these are important; maybe especially to your parents. But in the liberal arts we are frankly even more

interested in how what you gain here will help you to BECOME a certain kind of person. What kind? Well certainly NOT just like everyone else.

We want you to become all God wants for you. And that means neither dogmatic in unwavering convictions nor skeptical and lacking conviction. The truly educated man and woman appreciates the subtle texture and nuances of life's seasons. They see the central place of courage in choosing to stand in the face of ambiguity. And they do it above all with humility. To pursue this kind of education is a risk. The kind of education we offer you journeys in dangerous lands. We are not a church, we are not a summer camp. We are not a Bible school and we are not a seminary; as valuable as these institutions may be. But with God's help, our faculty walk with you, talk with you, and pray that what you become in body, mind, and spirit will be your worthy worship to Him who loved

There are not many colleges doing this. In the United States, there are 3600 colleges and universities. Of these only 680 are in any sense liberal arts colleges. Of these only 150 are selective in admissions and primarily committed to liberal arts. Of these, only 4 or 5 are evangelical in their faith. So you see, Houghton College is distinctive.

So let me welcome new students to Houghton College and welcome back returning students. We are excited to have all of you join us for the changing seasons. We don't promise you 72 degree blue sky year round. But we do promise you seasons and that's no run-on sentence.

Thank you Class of 1994

validation

Course selection, which is different from validation, is when students select courses for the next semester. It generally occurs in March, April, May and August for fall classes, and October and November for spring classes. Many people think once a student has selected courses he or she is "registered." This is not true. The process which has

Everyone must check in at the Student Accounts table first.

been called "Registration" by some and "Validation" by others occurs at the beginning of each semester to ensure the institution that the student has arrived and completed certain procedures. At this time each student must have a validation form and card, a current ID card, completed health documents, a valid meal sticker (if a board plan participant,) and a current parking permit (if the student has a vehicle.) If a student begins the process he or she is coded as partially validated. Once a student completes the process he or she is coded as validated. This procedure has been followed for quite some time and is called Validation in an effort to eliminate confusion with course selection.

Validation should take 10-15 minutes. Once you enter the validation process there are only four required stops. Others may be necessary depending on your circumstances. Have you returned the required health documents? Do you have a car? Do you need an ID? If you have not returned your Student Accounts Validation form you will meet a detour. Everyone must check in at the Student Accounts table first.

changing your class schedule

If you decide to drop a course, it is your responsibility to follow proper procedures. Do not expect the professor to drop you from the course. If you stop going to class, but your name still appears on the roster, the professor can give you an F. Check your schedule carefully and be sure you are attending the correct classes, including the right section. If you decide to drop or add a course, you can do so by obtaining a "Change Of Schedule" form from the Academic Records Office. You need to get your advisor's signature on this form. Each professor whose course you are dropping *or adding* must initial the form.

Important dates:

September 5: Last day to add a 1st half semester course

September 12: Last day to add a regular semester course

September 30: Last day to drop a 1st half semester course

October 17: Second half semester classes begin

October 24: Last day to add a 2nd half semester course

November 7: Last day to drop a regular semester course without incurring an F

November 16: Last day to drop a 2nd half semester course

WHAT TO BRING TO VALIDATION

- your ID (if you have one)
- · a ball-point pen
- phone number and name of person to contact in case of emergency
- hometown newspaper data
- home church data
- if Wesleyan, the name of the district to which you belong
- necessary health and insurance forms
- vehicle registration and insurance, if appropriate

SCHEDULES

Your fall semester schedule will be in your mail box before school begins. (New students who do not select courses until Saturday, August 27th, will find schedules in your mailboxes as soon as possible on Monday.) Please check your schedule carefully and be certain all the days and times are correct. If a section letter is incorrect you are enrolled in the wrong course. It needs to be corrected. If you are repeating a course, please let ARO know.

Changing your schedule and purchasing books may be done before or after Validation. You do not need to complete Validation before you buy books.

TIME SAVING TIPS:

- Complete and return the Student Accounts Validation form which accompanies your bill.
- Solve your financial aid questions, complete and return the required forms.
- Complete and return whatever forms the Health Center requires. (Check for specific dates for the return of the forms.)

2. Will you be **off-campus** in the fall of 1994?

If the answer to both of these questions is yes, please contact Marilyn Byerly in the ARO as soon as possible, but no later than October 1st, to verify the following diploma matters:

- The preferred spelling of your name.
- The specific degree for which you are a candidate.
- The major(s) and minor(s) which you are completing.

your college address

You will be assigned a Campus Box Number when you arrive in August. You should notify your family and friends of that number as soon as possible. Letters, cards, magazines, etc. should be addressed to you in the following manner:

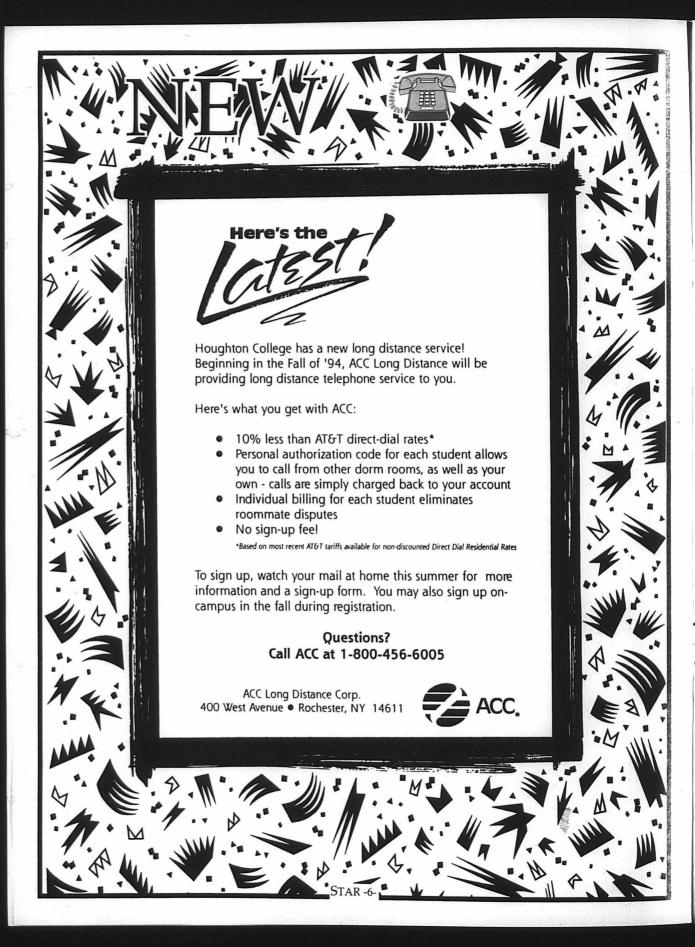

Name C.P.O. Box # Houghton College Houghton, New York 14744

If you need to have something shipped to you by U.P.S. you should use the College street address:

Name Houghton College One Willard Avenue Houghton, New York 14744

When a student goes away to college, his or her belongings are usually protected by the parent's homeowner's policy. College insurance covers only college property. Most homeowner's policies read that 10% of the insured's personal property figure will be on college student's property while away at school. This would cover fire, theft, and other disasters. Check your homeowner's or renters policy to determine what type of coverage you have. If you are bringing an expensive computer or stereo system you may want to consider a floater policy.

Reason:

arriving early?

We request that students **DO NOT** arrive on campus prior to the designated dates and times. Though we look forward to seeing students again, after the summer conference season the campus staff needs the days immediately preceding your arrival to prepare for the new year: to thoroughly clean all halls, to inventory and arrange building furnishings, to check for damages, to train residence life staff, etc. We thank you for your understanding about this.

The groups listed below will arrive on campus early for participation in their designated activity. Each group has been (or will be) made aware of the date they are expected on campus.

- Men's/Women's Soccer Teams
- Women's Volleyball Team
- Women's Field Hockey Team
- Men's/Women's Cross Country
- Highlander Participants
- Highlander Leaders
- FYI Leaders
- Student Senate Executives
- Approved Desk Proctors
- Residence Life Staff Members
- Student Teachers

Other students, **not included above**, who absolutely need to arrive on campus prior to designated dates on the college calendar (page 10) must send a fee of \$10.00 for each additional night on campus. **Please make your request for early arrival by using the cut-out to the left. Send it with the fee to Barbara Saufley, Housing Coordinator at least three weeks prior to the requested date of arrival.** At the time of your early arrival on campus, you will go to the Information Center during regular business hours to pick up your key. If the Information Center is closed you will call College Security from any campus phone, ext 333. Meals can be purchased from the college food service. Questions? (716) 567-9227.

New students, not listed in the box above, who need to arrive before August 25 must request permission and pay \$10.00 per night. Returning students may arrive on campus August 28; any students returning before this must request permission and pay \$10.00 per night.

An information sheet on the parking regulations and enforcement policies will be handed out when vehicles are registered or they are available upon request in the security office.

personal money

The college issues a warning to students concerning the handling of their personal money. Students having excessive amounts of cash on hand are urged to deposit the funds in a local bank. An automatic teller machine is available on campus to make withdrawals. Where residence halls include lockable drawers, personal valuables should be locked up at all times. Rooms should be locked when not occupied. Should there be any questionable incidents, a timely report to the proper administrator would greatly aid in resolving the problem.

residence hall dues

Each year students living in a residence hall pay \$10.00 for hall dues. This money is divided between floor activities planned by the RA on each floor, and all hall activities organized by hall council such as picnics and Bible studies. Students are encouraged to get involved in organizing these activities through hall council; this is an excellent opportunity to gain leadership experience through the residence hall. The dues are paid at the beginning of the year when the student picks up his/her room key.

campus store

The privilege of charging books, supplies, and various other items at the campus store to your student account, MasterCard, and Visa is available. Supplies and sundry items may be charged with a minimum purchase of \$6.00.

laundry services

Coin operated automatic washers and dryers are available for students in college residence halls: East Hall, South Hall, Lambein Hall, and Shenawana Hall. A privately-owned, 24-hour laundromat in Fillmore is available for students who wish to use it.

luggage

All shipments of trunks, suitcases and miscellaneous baggage must be sent by motor freight or UPS. Students are advised to ship their baggage at least a week in advance of their arrival in Houghton. UPS makes daily deliveries to Houghton. NOTE: If using motor freight, Western New York is serviced by Yellow Freight Trucking Service, Olean, NY.

dining hall opening

The dining hall will open for first year students on August 27 beginning with supper.

Open for returning students on August 29 beginning with breakfast.

money matters

Billing is done one semester at a time. The fall semester is billed in early August and the spring semester is billed in mid-December. Payments are due, at the latest, on Validation day. All paperwork should be in the Financial Aid Office by mid-July so that funds will be received by fall Validation.

We have two payment methods: (1) payment in full by one lump sum at the beginning of each semester, or (2) a monthly payment plan for 10 months called the Academic Management Service. If either of these two methods are not used, there is a \$50.00 late payment fee charged for each semester.

Textbooks and supplies may be purchased and charged to a student's account, paid for in cash, or charged

On the weekend of September 9th & 10th the sophomore, junior, and senior classes will retreat to various camps in the area to spend time together as classes. They have guest speakers to enlighten them and allow them as individuals to focus on their Christian walks. The classes also have fun-filled crazy times and time to cultivate friendships. The members of the Class of '98 will be doing the same thing--except on campus--we call it "intreating!" This will be a memorable weekend and a great beginning to a terrific year! Detach the Registration Form and send it with your registration fee by August 21st so you can take part in this exciting weekend! Note: Athletes need to check their pre-season schedule to avoid scheduling conflicts.

heirborne

Heirborne, Houghton's own music ministry group, is now about half-way through their summer tour. By mid-August they will have travelled many miles to 10 camps and 25 churches, ministering, counseling, and playing along the way. Their worshipful, yet fun style, of presenting contemporary Christian music creates a relaxed atmosphere. Their joy in serving the Lord through music is evident.

The eight-week summer tour is the culmination of auditions, rehearsals, and week-end concerts that began last September. Their travels this year have taken them as far as northwestern Ontario, Vermont, and Maryland, to college receptions, and a variety of churches and camps. Their schedule is strenuous and their responsibility great, but being ambassadors for Christ and representatives for Houghton College is not without benefit. Group members find the "servant" experience valuable. The enrichment of seeing someone accept Christ, leading a body of believers in worship, and working within a small group to build each other up is motivation enough to commit to a group like Heirborne. Group members also enjoy some more earthly benefits such as receiving a \$2,000 tuition scholarship and academic credit for a full year's participation.

If you are interested in being part of Heirborne this coming academic year and next summer, please contact the Church Relations Office, located in Luckey Building (716)-567-9335, now or as soon as you arrive on campus. Auditions are scheduled for September 7, and preaudition screening begins Tuesday, August 30 with Ginny Halberg in the Music Building, so there will be no time to spare once the semester begins.
