ANNIVERSARY OF THE FOUNDING OF HOUGHTON COLLEGE

# F O R E W O R D

It has been our purpose to commemorate the fiftieth year of the history of Houghton College and to draw attention to the contrasts due to fifty years of almost incredible progress. In narrating the story of the student life of Nineteen Hundred Thirty-Two and Thirty-Three, we have sought to retain the memory of its happiness and to recognize and show our appreciation of the spirit which is so much a part of our college tradition.

# DEDICATION

To the Christian

Student—Teacher and Scholar

—whose enthusiastic effort and

personal consecration have been

the keynote of Houghton's

progress during the past fifty

years—we dedicate this Anni-

versary edition of the BOULDER.

## The Executive Literary Board

In the Executive Literary Board is found a means of unifying the work of the *Star*, the *BOULDER*, and the Lecture Course Management. The personnel includes President Luckey, the editors of the *Star* and *BOULDER*, the faculty advisors of those publications, the vice-president of the Student Council, and the business manager of the lecture course. This body arranges the lecture course, and in the spring of each year submits the nominations for the editors and business managers of the *Star* and *BOULDER*. This group is to be congratulated on its work this year.

## A Farewell

What shall I say, dear friends, to whom I owe  
The choicest blessings, dropping from the hands  
Of trustful love and friendship, as you go  
Forth on your journey to those older lands,  
By saint and sage and bard and hero trod?  
Scarcely the simple farewell of the Friends  
Sufficeth; after you my full heart sends  
Such benediction as the pilgrim hears  
Where the Greek faith its golden dome uprears,  
From Crimea's roses to Archangel snows,  
The fittest prayer of parting: "Go with God!"

—JOHN GREENLEAF WHITTIER

## I Am Music

"SERVANT and master am I; servant of those dead, and master of those living. Through me spirits immortal speak the message that makes the world weep, and laugh, and wonder and worship.

"I tell the story of love, the story of hate, the story that damns. I am the incense upon which prayers float to heaven. I am the smoke which palls over the field of battle where men lie dying with me on their lips.

"I am close to the marriage altar, and when the graves open I stand near by. I call the wanderer home. I rescue the soul from the depths, I open the lips of lovers, and through me the dead whisper to the living.

"One I serve as I serve all; and the king I make my slave as easily as I subject his slave. I speak through the birds of the air, the insects of the field, the crash of waters on rock-ribbed shores, the sighing of the wind in the trees, and I am even heard by the soul that knows me in the clatter of wheels on city streets.

"I know no brother, yet all men are my brothers; I am the father of the best that is in them, and they are fathers of the best that is in me; I am of them and they are of me. For I am the instrument of God."

—ANONYMOUS

## Theolog Undergraduates

The School of Theology carries on the founder's ideal for Christian service. This year there are thirty-two students registered in this department under the instruction of a faculty of three. Eight students are planning on graduating with a major in a theological course, four of these also graduating from the college department this year. ## TRACK MEET

One of the best track and field meets ever held in Houghton was witnessed last spring. The actual winner was held in suspense until the final event. The relay climaxed the event with the Gold victorious—62-60.

The girls' meet was equally interesting, the Purple winning by the narrow margin of one point. During the meet there were seven records broken by the boys and two by the girls. Houghton's records are gradually being raised toward the level of other colleges.

## Fall

### BASEBALL

For the fourth consecutive year the Purple were victorious in the baseball series. The Purple "murderer's row" proved too much for the Gold pitchers, pounding out 75 runs to the Gold's 7.

The leading batters of the series:

## Winter

### BASKETBALL

#### 1. *Champion Senior Men's Basketball Team*

The classy outfit of the Seniors again proved far superior to the other teams. The players deserve much credit, having won the class championship four years in succession, a record which can only be equalled.

#### 2. *Senior Women's Basketball Team*

The Senior women in their last year have become class champions. Lisk and Matthews proved to be their scoring aces. They found their hardest foe in the Junior Quintet which they finally defeated with a 16-9 score.

#### 3. *The Purple-Gold Series Men*

The Purple-Gold Series this year was one of the most interesting from the standpoint of the spectators that has ever taken place in Houghton. Both teams presented a speedy brand of basketball. Hardly a game was won by more than five points. The Purple finally emerged the winners after six tough battles.

#### SCHEDULE OF THE GAMES:

|            |           |         |            |           |         |

#### 4. *Purple-Gold Series Women*

The Purple girls greatly surprised Houghton by defeating the Gold in four out of the six games. The two teams showed splendid spirit and certainly fought the games to the finish. A. Babcock and G. Matthews battled for scoring honors.

# The Scenic Artist Takes No Curtain Calls

---

Back of the "big drop" in every theater is the man who provides the proper stage settings. His work and that of his staff is essential to the success of every play.

The task of your annual designer may be likened to that of the scenic artist. He furnishes the background on which are portrayed the achievements of the Class of 1933. He accentuates the literary brilliance of the BOULDER Staff through appropriate art, harmonious design, and tasteful typography. His work perpetuates the spirit of the Class of 1933.

Baker, Jones, Hausauer count it a privilege to have acted as "Scenic Artists" for the 1933 BOULDER. We crave no curtain calls. If we have furnished a background of unusual distinction for the outstanding performance of the Staff, we are well content.

**H**OW TO OPEN  
YOUR YEARBOOK

*If you prize this book highly . . .*

*you will follow carefully the following instructions.*

HOLD the book upright with its back edge on a smooth or flat surface. Let the front cover down, then the back cover, meanwhile holding the leaves upright. Next gently open a few leaves in the back, firmly pressing them down against the cover, then a few in the front, and so on, alternating opening back and front until the book is completely opened. Do this two or three times. If a new book is violently or carelessly opened for the first time the back binding may crack or loosen and cause a separation in the leaves. Never force a book open.

*Your annual will be assured a longer life by following these instructions carefully.*
