# While You're *Away.* . . .

So what really happens at Houghton in the summer? Have any of you asked yourselves that question while you are spending your summers at home, or with Aunt Myrtle, or on the mission field, or in some other productive venture? Amazingly enough, life at the college doesn't stop when all you students depart for the summer. Indeed, in some ways it switches into high gear. The campus is used by a variety of groups as a meeting place during the summer including church conferences, Elder Hostel, athletic camps, etc. If you were to visit campus in July, you would find a number of activities for Houghton alumni, which allow Houghton's former students to be enriched and to keep up with their alma mater. Maybe we'll see you here for Young Alumni Weekend in just a few years.

The college maintenance and custodial staffs really shift into fast forward during the summer. While you are gone, these dedicated, hardworking folks spruce up the place so it will be in good shape for your return, and to conserve the resources God has given to us. That is a hint to you that you should do your part for keeping Houghton College clean and well repaired during your stay here. You don't need to be an award winning economist to figure out that if you have to repeatedly fix or clean something it costs more for everyone. You can help in making Houghton more affordable to you and to those who will come after you.

Most importantly, we have great weather in Houghton in the summer (usually). Each summer I think to myself that it is such a shame that most of you students don't see Hough-

ton at its best weatherwise. You have probably wondered how those of us who live here year-round can endure the wet and cold weather of Western New York. I have the answer for you. We look forward to the great summers here. Many of you probably feel as my student friend, A.J. Bunk, did at the beginning of this poem she wrote during Mayterm. By poem's end, however, she has experienced Houghton's summer.

## What Happened to Spring (An Ode to Houghton Weather)

Wasn't it but yesterday  
When I was dodging mud puddles,  
When I was wading through slush,  
When I was surrounded by snowdrifts?

Wasn't it but yesterday  
When I was being chased by a maintenance man driving a snowplow,  
When I was pelted with snowballs,  
When I was cold and wishing for spring?

But spring never came.

Instead, the "Final Four" crept upon us,  
We were distracted,  
And then. . .

Summer is here!

Today  
There are no mud puddles, but plenty of swimming pools,  
There is no slush, but a rolling expanse of green grass,  
There are no snowdrifts, but more flowers than I can count.

Today  
The sun is warm, the breeze refreshing,  
The sky is blue, and no clouds are visible,

The birds sing, the flowers smile,  
but. . .

What happened to Spring?

A.J. Bunk, Class of '96

But weather doesn't make the place. People make the place. I look forward to your return and the forecast looks good for new students in the fall. Today I looked back over the letters I have written before. There is a paragraph in my 1988 letter which I think bears repeating: "Over the centuries there have been those who have been anointed by God and endowed with special gifts which cause them to stand out from rank-and-file Christians. Many of their lives continue to influence us and to advance God's Kingdom today. Likewise, there have been literally millions throughout the world who have lived godly lives and yet died in virtual obscurity, e.g. the Moravian Christians had profound influence on John Wesley. But in our day, who remembers these faithful men and women? History abounds with such little-known people of faith who by their exemplary, Christ-like character shaped the history of the church while remaining behind the scenes. I trust that the lessons of these Christians will inspire each of us to faithful service."

I'm praying that this school year will be a wonderfully enriching time for all of us as we try to work out God's will in each of our lives in our college community. May the show-ers of blessing come to us all.

In His Service,

Robert F. Danner, Dean of Students

*P.S. Each year as we return, we make a recommitment of ourselves to our college community and to its expectations of us. Please re-read the Responsibilities of Community Life, particularly the Biblical section, as we prepare for the beginning of this Academic Year.*

# Don't Get Confused. . . Get Validated!

Course selection is when students select courses. (It generally occurs in March, April, May and August for fall classes, and October and November for spring classes.) Many people think once a student has selected courses he or she is "registered." This is *not* true. The process which has been called "Registration" by some and "Validation" by others occurs at

## Registration now called Validation

the beginning of each semester to ensure the institution that the student has arrived and completed certain procedures. At this time each student must have a validation form, a validation card, a valid ID card,

valid health documents, a valid meal sticker (if a board plan participant,) and a valid parking permit (if the student has a vehicle.) If a student begins the process he or she is coded as partially validated. Once a student completes the process he or she is coded as validated. This procedure has been followed for quite some time and is now being called Validation in an effort to eliminate confusion.

Validation should take 10-15 minutes. Once you enter the validation process there are eight stops--only four are required. The others may be necessary depending on your personal circumstances. Have you returned the required health documents? Do you have a car? Do you need an ID? If you have not returned your Student Accounts Validation form you will meet a detour. Everyone must check in at the Student Accounts table.

### WHAT TO BRING TO VALIDATION

- your ID (if you have one)
- a ball-point pen
- phone number and name of person to contact in case of emergency
- hometown newspaper data
- home church data
- if Wesleyan, the name of the district to which you belong
- necessary health and insurance forms
- vehicle registration and insurance, if appropriate

### SCHEDULES

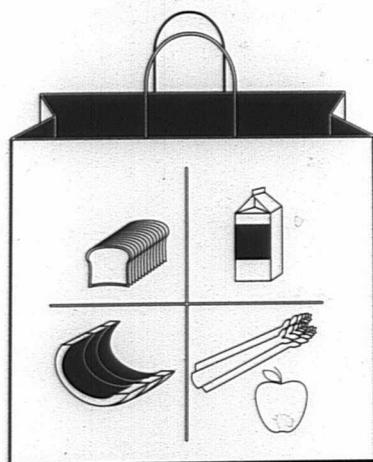

Your fall semester schedule will be in your mail box before school begins. (New students who do not select courses until Saturday, August 28th, will find schedules in your mailboxes as soon as possible on Monday.) Please check your schedule carefully and be certain all the days and times are correct. If a section letter is incorrect you are enrolled in the wrong class. It needs to be corrected. If you are repeating a class, please let ARO know.

Changing your schedule and purchasing books may be done before or after Validation. You do not need to complete Validation before you buy books.

### TIME SAVING TIPS:

- Complete and return the Student Accounts Validation form which accompanies your bill.
- Solve your financial aid questions, complete and return the required forms.
- Complete and return whatever forms the Health Center requires. (Check for specific dates for the return of the forms.)

*Part-time students* do not have to attend on Monday. They may come to the Records Office and begin Validation on their first day of class. Student teachers who can participate on Monday, August 30 are invited to do so. Interns (Business, Psychology, or Educational Ministries) who will not be on campus to complete the Validation process must contact the Academic Records Office and Student Accounts about fulfilling the requirements.

Students who are not planning to return to Houghton, please notify the ARO so a withdrawal form may be sent. To make the withdrawal official, the form should be completed and returned.

## INTRODUCING . . . *the New Director of Christian Life*

Since 1991, Dr. David B. Lewis, pastor of the First Baptist Church of Franklinville has been the head coach for our Women's Soccer team. This fall Dr. Lewis will also assume the full-time position of Director of Christian Life. Dr. Lewis' duties include the scheduling of chapel services, coordinating new outreach ministry opportunities, including a new sports ministry outreach.

Dr. Lewis graduated in 1978 from The King's College, Briarcliff Manor, NY, with a BA in Religion/Philosophy. He subsequently completed his Master of Divinity and Doctrinal Ministries degrees at Gordon Conwell Theological Seminary, South Hamilton, MA. Dr. Lewis has com-

pleted other graduate work in Massachusetts and California.

While in college, Dr. Lewis was honored as a NCCAA All American and a NAIA All-District soccer player. He also received the American Bible Society Award for Excellence in Religious Education and Biblical Studies.

The two years following college Dr. Lewis played soccer for Athletes in Action, a division of Campus Crusade for Christ, and also served as team program director.

Since 1986 Dr. Lewis has served the Franklinville Church while giving time as the educational director for the Franklinville Crisis Pregnancy Center. Dr. Lewis is a member of the health and studies committees at Franklinville Central school and coached the girls soccer team in 1988 and '89.

Dr. Lewis fills the position of Director of Christian Life with great anticipation and enthusiasm for the opportunities the Lord has given him to use his talents in ministering to the Houghton College campus.

## PRIVATE

# Telephone Installation

If you are contemplating telephone service in your residence hall room, the following information should answer most of your questions.

**TELEPHONE CHARGES:** \$39.20 for connection of service. Local service provided is private line touch call.

- Local Service Plan #1: \$13.87 per month plus the appropriate taxes and long distance charges. This does *not* include a telephone.

- Local Service Plan #2: \$17.82 per month plus appropriate taxes and long distance charges. This includes a leased telephone.

GTE New York provides maintenance on all wire and phones furnished by the company. You are responsible for maintenance on telephones you provide. If you choose option #2, it is your responsibility to return the leased telephone to the Student Development Office for pickup by GTE when service is disconnected. If the telephone is not returned you will be billed the cost of the set. When returning the leased telephone, please attach your name and telephone number to the set to insure the removal of the charge from your account.

## **BILLING:**

Your first bill will include the service connection charge, the cost of local service retroactive to the date of installation, the cost of local service for one month in advance and any long distance charges plus appropriate taxes. You will normally receive your bill on or about the 4th of each month. It is due within 15 days from

the bill date (approximately the 19th). The normal monthly bill will be one month local service in advance plus long distance charges and appropriate taxes. If for any reason your bill is not paid by the due date, you will receive a disconnect notice on the following month's bill. If your telephone service is temporarily disconnected for a past due bill, restoral charge of \$18.00 will apply. If service is disconnected and payment is not received 10 days from the disconnect date, an order will be written to cancel the service. To re-establish phone service you must pay your outstanding bill in full, a guarantee deposit, and reapply for service. Installation charges of \$39.20 will also apply.

If the telephone company receives an insufficient funds check, your telephone service will be disconnected until the check is redeemed with either a money order, certified check or a bank draft. The charge of \$18.00 will be applied against your account for restoral of service and a charge of \$10.00 will be applied for the insufficient funds check.

## **NEW THIS YEAR. . .**

**CALL FOR SERVICE:** 1-800-232-2544, Monday through Friday, 7 AM to 7 PM. The representative from GTE will take your application for service over the phone. Installation will be scheduled when you place your order for service.

## Bits 'n Pieces

Below are important tidbits of information you should know before leaving home. If you have any questions feel free to write to the Student Development Office or call (716) 567-9200.

### STUDENT AUTOMOBILES

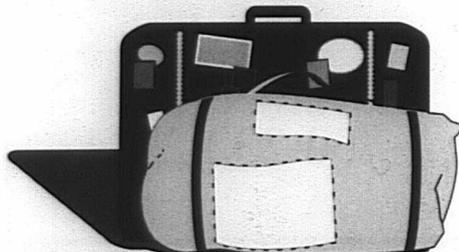

If you operate a vehicle on campus (even if you are not the owner), it must be registered with the security office. You can register a vehicle in line during validation, or in the security office if you bring the vehicle on campus at a later time. The charge for parking on campus and registration is \$10.00 per year. An information sheet on the parking regulations and enforcement policies will be handed out when vehicles are registered or they are available upon request in the security office.

### CAMPUS STORE POLICY

The privilege of charging books, supplies, and various other items at the campus store to your student account is available. Supplies and sundry items may be charged with a minimum purchase of \$6.00.

### LAUNDRY SERVICE

Coin operated automatic washers and dryers are available for students in college residence halls: East Hall, South Hall, Lambein Hall, and Shenawana Hall. Privately-owned 24-hour laundromats in Houghton and Fillmore are available for students who wish to use them.

### LODGING FOR PARENTS

Because of the crowded conditions in the village of Houghton, the college cannot guarantee accommodations for parents and friends who wish to accompany students to school. If space is not available in Houghton, rooms may be found at McCarty's Motel in Fillmore, 716-567-8552.

### PERSONAL MONEY

The college issues a warning to students concerning the handling of their personal money. Students having excessive amounts of cash on hand are urged to deposit the funds in the local bank (Fleet Bank). An automatic teller machine is available on campus to make withdraws. Where residence halls include lockable drawers, personal valuables should be locked up at all times. Rooms should be locked when not occupied. Should there be any questionable incidents, a timely report to the proper administrator would greatly aid in resolving the problem.

### LUGGAGE

All shipments of trunks, suitcases and miscellaneous baggage must be sent by motor freight or UPS. Students are advised to ship their baggage at least a week in advance of their arrival in Houghton. Students should contact a carrier who serves the Western New York area and who concurs with Yellow Freight Trucking Service of Olean, New York. UPS makes daily deliveries to Houghton.

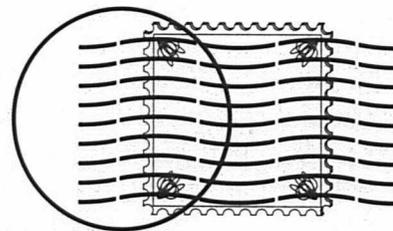

### TELEPHONE SERVICE

The general college number is (716) 567-9200. This number is answered by a college operator from 6:30 AM to midnight, Sunday through Thursday, until 2 AM on Friday and 1 AM on Saturday while school is in session. After hours and during vacation periods all incoming calls are handled by the Security Department and should be limited to urgent matters only.

Each residence hall floor has a college-operated telephone you can dial directly 24 hours a day. Telephone service is available for all students living in college-owned housing through our local telephone company. Students may sign up during validation to have a telephone installed in their residence hall room. Costs include an installation charge plus monthly rental and long distance tolls. Pay telephone stations are located in East Hall, Lambein Hall, South Hall, Shenawana Hall, and the campus center.

### U.S. MAIL

Mail to students must be addressed to the individual's Campus Postal Box number, c/o Houghton College, Houghton, NY 14744. Mail delivery will be made through the campus mailroom in the basement of the campus center. New students may pick up their mail box assignment and combination during work hours upon arrival to campus. Returning students will have the same box and combination issued the previous year(s).

# MONEY MATTERS

## BILLING • STUDENT ACCOUNTS • CHECK CASHING

Billing is done one semester at a time. The fall semester is billed in early August and the spring semester is billed in mid-December. Payments are due, at the latest, on Validation day. All paperwork should be in the Financial Aid Office by mid-July so that funds will be received by fall Validation.

We have two payment methods: (1) payment in full by one lump sum at the beginning of each semester, or (2) a monthly payment plan for 10 months called the Academic Management Service. If either of these two methods are not used, there is a \$50.00 late payment fee charged for each semester.

Textbooks and supplies may be purchased and charged to a student's account or they may be paid for in cash at the time they are purchased. Statements for the fall and spring semesters are mailed to the home addresses. Any statements in-between

are sent to the students' intra-campus mail boxes. Parents may request copies of all statements by writing to Houghton College, Student Accounts Office, Houghton, New York 14744.

There is a cashier for students to cash personal checks or make payments on their accounts. The cashier is located in Luckey Building on the second floor. The cashier hours are from 1:00-3:30 PM, Monday through Friday.

The student accounts office is located in Luckey Building on the second floor. The office hours are from 8:30 AM to 3:30 PM, Monday through Friday.

We also have an automatic teller machine in the campus center which is a 24 hour service through Fleet Bank. Fleet is a member of NYCE and CIRBUS networks.

Parents are welcome to call with questions they may have concerning billing procedures, (716) 567-9319.

L-R: Scott See, Steve Lausch, Richard Staine and Mike Wolcott receive their paychecks from Ketha Boespflug at the Cashier's window in Luckey Bldg.

## Meal Plan Quiz

True or False:

- \_\_\_ 1. All Houghton resident students must be on the board plan.
- \_\_\_ 2. All students living in college owned or approved houses must be on the board plan.
- \_\_\_ 3. Exceptions are made for students from Houghton who choose to eat at home (with their family) rather than in the cafeteria.
- \_\_\_ 4. Exceptions are made for students who have documented health problems which cannot be accommodated by Pioneer Food Service.
- \_\_\_ 5. Exceptions are made for post graduate students and non-traditional students living in their own household.
- \_\_\_ 6. Some students who have been granted an exception are expected to purchase some meals in the cafeteria as a condition of the exception.
- \_\_\_ 7. All exceptions must be approved by the Bursar (Betty Lyman.)
- \_\_\_ 8. Any student granted an exception may purchase an individual meal in the cafeteria.
- \_\_\_ 9. An optional meal plan system would cost more than the current 21 meals/week cost.
- \_\_\_ 10. To get the most for your money during the week, eat a properly balanced diet at each of the 21 meals offered by Pioneer Food Service (Big Al.)

**Answer Key: All of the above statements are true. A written request must be submitted to Betty Lyman (the Bursar) whose office is located on the second floor of Luckey Building. Forms may be picked up at the Student Accounts Office. You will be notified in writing whether your request is approved or denied.**

### Attention Potential '94 Graduates

1. Do you plan to graduate in calendar year 1994?
2. Will you be **off-campus** in the fall of 1993?

If the answer to both of these questions is *yes*, please contact Marilyn Byerly as soon as possible, but no later than October 15th, to verify the following diploma matters:

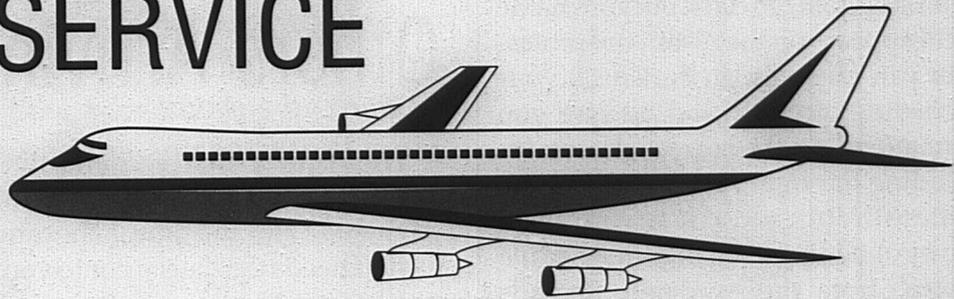

- The preferred spelling of your name.
- The specific degree for which you are a candidate.
- The major(s) and minor(s) which you are completing

### Protect Your Valuables

When a student goes away to college, his or her belongings are usually protected by the parent's homeowner's policy. College insurance covers *only* college property. Most homeowner's policies read that 10% of the insured's personal property figure will be on college student's property while away at school. This would cover fire, theft, and other disasters. Check your homeowner's or renters policy to determine what type of coverage you have. If you are bringing an expensive computer or stereo system you may want to consider a floater policy.

## OTHER INFO

### Changing Your Class Schedule

If you decide to drop a course, it is your responsibility to follow proper procedures. Do not expect the professor to drop you from the course. If you stop going to class, but your name still appears on the roster, the professor can give you an F. Check your schedule carefully and be sure you are attending the correct classes, including the right section. If you decide to drop or add a class, you can do so by obtaining a "change in schedule form" from the Academic Records Office. You need to get your advisor's signature on this form. Each professor whose course you are dropping or adding must initial the form.

#### Important dates:

September 13: You may add a regular course up until 3 PM.

November 8: You may drop a regular course up until 3 PM without incurring an F.

### Your School Address

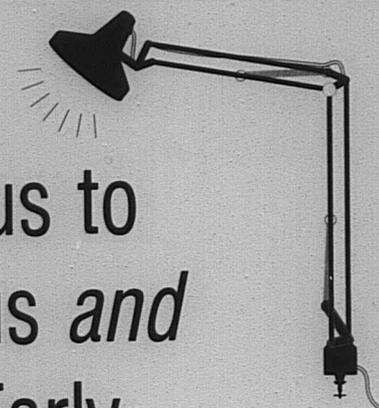

You will be assigned a Campus Box Number when you arrive in August. You should notify your family and friends of that number as soon as possible. Letters, cards, magazines, etc. should be addressed to you in the following manner:

NAME  
CPO Box #  
HOUGHTON COLLEGE  
HOUGHTON NEW YORK 14744

If you need to have something shipped to you by U.P.S., you should use the College street address:

NAME  
HOUGHTON COLLEGE  
ONE WILLARD AVENUE  
HOUGHTON NEW YORK 14744

## For Those Anxious to Return to Campus and Others Arriving Early

We request that students **DO NOT** arrive on campus prior to the designated dates and times. The campus staff needs the days prior to your arrival to make sure residence hall rooms are ready for you, inventory building furnishings, check for damages, prepare staff members and in general, get ready for you. This year especially, it is imperative that students return only on the designated days as the ending of the conference season leaves very little time for staff to prepare buildings for student arrival. We look forward to having you here and we want to have everything ready for your arrival.

Students who need to arrive on campus prior to the August 27th (new students) and August 29 (returning students) will be charged a fee for each additional night they are on campus. Meals can be purchased from Pioneer Food Services. Students need-

ing to be on campus *early must make their request in writing* to Barbara Saufley in the Student Development Office *at least two weeks* prior to the requested date of arrival.

Here is a list of those student groups who may be on campus early for participation in their designated activity. Each group has been (or will be) made aware of the date they may arrive on campus.

- Men's and Women's Soccer Teams
- Women's Volleyball Team
- Women's Field Hockey Team
- Men's and Women's Cross Country Teams
- Highlander Participants

# Intreat '93

On the weekend of September 3rd & 4th the sophomore, junior, and senior classes will retreat to various camps in the area to spend time together as classes. The members of the Class of '97 will be doing the same thing--except on campus--we call it "intreating!" This will be a memorable weekend and a great beginning to a terrific year! The weekend will contain rollerskating, games, singing, a movie, and a class party. *Detach the Registration Form and send it with your money by August 21st so you will be sure to take part in this exciting weekend!* Note: Athletes need to check their pre-season schedule to avoid scheduling conflicts.

## HEIRBORNE

Heirborne, Houghton's own music ministry group, is now about half-way through their summer tour. By mid-August they will have traveled over 5,000 miles, to ten camps and 30 churches, ministering, counseling, and playing along the way. Their worshipful, yet fun style, of presenting contemporary Christian music creates a relaxed atmosphere. Their joy in serving the Lord through music is evident.

The eight-week summer tour is the culmination of auditions, rehearsals, and week-end concerts that began last September. Their travels this year have taken them as far as Indiana, New Brunswick, and Maryland to youth conventions, college receptions, and a variety of churches and campuses. Their schedule is strenuous and their responsibility great, but being ambassadors for Christ and representative for Houghton College is not without benefit. Group members find the "servant" experience valuable. The enrichment of seeing someone accept Christ, leading a body of believers in worship, and working within a small group to build each other up is motivation enough to commit to a group like Heirborne. Group members also enjoy some more earthly benefits such as receiving a \$2,000 tuition scholarship and academic credit for a full year's participation.

If you are interested in being part of Heirborne this coming academic year and next summer, please contact the Church Relations office now (located in Luckey Building, 716-567-9335) or as soon as you arrive on campus. Auditions are scheduled for the second week of school so there will be no time to spare once the semester begins.
